

## Ink and toner cartridge protection warranty

Thank you for your purchase. We're confident that you'll be satisfied with your Pitney Bowes brand ink and toner product. Here's how we cover your product:

Pitney Bowes warrants all Pitney Bowes brand ink & toner products for a period of six months from date of purchase, subject to normal storage conditions in a climate-controlled environment.

Pitney Bowes warrants that, subject to conditions stated below and under normal use, our branded ink & toner products will not cause damage or abnormal wear to any compatible laser printer, inkjet printer, fax or copy machines. If damage occurs to any compatible laser printer, inkjet printer, fax or copy machine due to a properly installed but defective Pitney Bowes branded ink or toner product, we will service and repair the laser printer, inkjet printer, fax or copy machine or, at Pitney Bowes option, reimburse our customer for the full amount for all service and repair to the machine in question.

This warranty is dependent upon the client providing Pitney Bowes with satisfactory evidence that the machine damage was due to a defect in a Pitney Bowes branded ink or toner product, including a statement on the service company's letterhead dated and signed by the company's service representative.

Pitney Bowes liability shall be limited to the service or repair of the damaged equipment or reimbursement by Pitney Bowes as provided above. This warranty is exclusive and in lieu of all other warranties, express or implied, including warranties of merchantability and fitness for a particular purpose.

Again, thank you for your purchase. We look forward to serving all of your mailing needs, now and in the future.
