Parcel & Mail Sorting

We deliver.

Improve your mailings with Presort Services.

Pitney Bowes Presort Services is the largest—and only—presort network in the U.S. We have over 30 state-of-the-art operating facilities across the country, dedicated to First-Class Mail® and Standard Mail®.

We process more than 15 billion pieces of mail annually as a certified workshare partner of the USPS®. Our industry-leading solutions provide you with the scale and flexibility you need to optimize postage discounts and improve mailstream efficiency. We also guarantee per-piece pricing, so you can count on knowing what your postage expenses will be.

Simplify the logistics of mail.

It starts with over 300 vehicles and 360 drivers transporting the mail over more than 10 million miles each year. We reduce the paperwork by linking our customers' mailing information electronically with the USPS. Then, we ticket, transport and deliver the mail in the way that's most efficient and effective for you. Finally, we provide flexible payment options that make it easier for you to do business.

- Scheduled First-Class Mail® and Standard Mail® pick-ups
- Efficient induction into the USPS mailstream
- First-class travel for business mail: PostalOne!™
- Consolidated payment account with flexible options.

A great combination: Value and impact

Discounts count.

Our facilities are "clustered" in what we call Mail Exchange groups. This allows us to maximize your discount by processing mail to its ultimate sort and inducting it closer to its final destination. The Mail Exchange technologies and proven efficiencies get your mail where it needs to be, faster and more cost effectively.

Commingling makes Standard Mail® go faster.

We commingle your letters, self-mailers and postcards in our five Standard Mail facilities, helping to provide consistent and predictable mail delivery and postage optimization.

- Available for regular and non-profit standard mail
- Accommodates pre-barcoded and CASS-Certified™
- Mailpieces up to 3.3 ounces per piece

More solutions, equals more value.
