Shipping Solutions

SendPro® +

Take the guesswork out of shipping and mailing.

SendPro+ is designed so you can make the smart sending choice simply, every time.

SendPro+ now features the Shippit app, bringing you multi-carrier options so you can choose between different couriers. Our all-in-one shipping and mailing technology lets you:

- Save money by comparing rates across different carriers.
- Send parcels at discounted rates.
- Choose your preferred delivery option, including overnight shipping.
- Simply weigh and print trackable shipping labels from one device.
- Track shipping and mailing activity in real-time.
- Deliver a better customer experience.
