Postage Meters

DM450™ Digital postage meter

Maximise office productivity

Experience large mailroom productivity and greater ease of use.

The DM450™ Digital postage meter uses the very latest technologies to achieve fast and accurate mail processing... all in a space-saving footprint.

Boost productivity with digital technology.

Maximum productivity is crucial for business today. The DM450 Digital postage meter uses the very latest technologies to achieve fast and accurate mail processing... all in a space-saving footprint.

Enjoy the capabilities of a fully functional mail centre while saving both time and money with the advanced features of the DM450 postage meter.

Mailing made simple.

Keeping the DM450 current and operating at maximum efficiency is simple. Digital technology makes it easy and convenient to update postal rates, software and graphics.

Manage your mail efficiently and accurately.

- Automatic feed speeds processing
- Process up to 120 letters per minute.

User-friendly control centre.

The easy, step-by-step instructions take you through processing with an expanded 7-line graphics display, dedicated functions, labeled keys and a QWERTY keyboard.

Internal rating function

Select the most effective and economical postage rate automatically.

Instant online refill

Access postage replenishment online, 24/7.

Auto-dating eliminates returned mail

The internal clock automatically changes the date. With the manual option, you can advance the date when processing mail for a later delivery.

Handle rate changes with ease.

Digital technology allows postage rate changes to occur with a simple download.

Stay current, now and in the future.

The digital meter indicia satisfies all current postal regulations, and the technology's flexibility makes the DM450 postage meter adaptable for the future.

Integrated weighing ensures correct postage.

The DM450 postage meter has a 5kg integrated scale as standard, with the option of increasing the capability to 7kg, 12kg or 35kg with an interfaced scale.

Accounting capability

Track and manage postage expenses for up to 300 accounts.
