Stunning high definition colour

The C911dn uses digital LED technology and our Multi-Level ProQ technology to produce high definition printing in the sharpest and most vibrant print output available.

- Superb print resolution of 1200 x 1200dpi
- Multi-Level ProQ technology enhances colour print output

Lowest total cost of ownership

The C911dn delivers significant cost savings against comparative printers, combining a highly competitive capital cost with overall energy efficiency.

- Highly competitive initial capital cost
- Separate toners and drums for reduced wastage
- Energy efficient for reduced energy usage
- Three year on-site warranty on registration of your product within 30 days

Speed that you can rely upon

Highest print speeds with stunning high definition output that cannot be beaten.

- Time to first print less than 8 seconds
- A3 print speeds of 28ppm in colour/mono (up to 50ppm in colour/mono for A4)
- 2GB RAM and 1.2GHz processor for rapid throughput

Media flexibility to beat all others

The C911dn beats the competition hands down when it comes to media flexibility, printing a complete range of media in-house.

- Widest paper handling—A6 to SRA3 and banner lengths up to 1.3m
- Print on paper stock up to 360gsm single sided and 320gsm duplex
- Prints on a wide range of media including gloss paper, film, transfer paper, waterproof paper and more
- 530 sheet tray as standard, up to 2,950 sheets with optional trays
- Robust 300 sheet multi-purpose tray for added flexibility
- Duplex printing as standard
