ES511dn Specifications

High performance, A4 mono printing, for the workgroup.

A super fast print speed, high monthly duty cycle and large standard paper capacity equips the ES511dn to handle high volume printing with ease.

This clever printer incorporates automatic double sided printing to help save paper and will optimise its speed and power usage to the type of documents being printed, even powering off over night.

The 12,000 page toner cartridge keeps running costs low and the ultra-reliable digital LED technology guarantees many years of excellent service. Add Gigabit networking as standard and the ES511dn delivers fast speed, high quality black and white printing for all in the office to share—Perfect for the workgroup.
