Kodak S3000 Series Scanners

Kodak alaris

Channel Partner

Built for today, ready for tomorrow.

A powerful, connected solution that meets your needs as you grow.

A new standard in efficiency and consistency.

Simplified start-up and scanning

Scan one sheet and you're ready for capture, large intuitive colour touchscreen, personalised workflows, and Smart Touch technology to automate complicated tasks.

On-board image processing

Slashes demands on your PCs to speed scanning and boost efficiency.

Scan directly to apps

Import information directly into applications with TWAIN, ISIS, or RESTful API-based scanning.

Enhanced security

Secure-boot solution, encryption over wire for network traffic, and USB 3.2 Gen 1x1-compatible.

One-year warranty

One-year warranty is applicable from the date of purchase of the scanner.

Exceptional image quality for superior accuracy

- Get sharper images to deliver more accurate data to applications via OCR, searchable PDF, and barcode reading.
- Turn even poor-quality originals into crisp images with Perfect Page technology while scanning at rated speeds.
- Streak removal, background smoothing, image edge fill, and more automatic image enhancements.
- Verify all originals have been scanned with digital stamping on front or back of documents.

Unsurpassed protection for paper and data

- Advanced Intelligent Document Protection (IDP) and multi-feed detectors catch throughput problems and alert you before they become jams or mis-feeds.
- Straight-through or U-turn paper path with adjustable feeder pressure, and optional integrated flatbed for smooth, safe document handling.
- Feed a wide array of sizes and weights in any batch.
- Larger 300-sheet feeder and output tray, plus controlled exit stacking for mixed-batch handling accuracy.

Adaptable solutions for your ever-changing workplace.

Digitise vital information trapped on paper for use in your ERP or CRM systems. Or be ready for future technologies like RPA (Robotic Process Automation) to further streamline repetitive tasks and free up your workforce. Whether you're scanning to a file or folder or initiating a business process, Kodak S3000 Series Scanners set the new standard for capture accuracy, security and ease for any industry.

Main features:

- 1 Reliable throughput in colour or black and white, at 200 and 300 dpi, on images, text, and mixed-size documents.
- 2 Stack up the work— with a 300-sheet feeder/ elevator you can neatly and efficiently scan document batches with ease. Our design ensures continuous throughput with rapidfire scanning of up to 120 ppm and 50,000 pages per day.
- 3 Thick materials and extra-long documents, fly through the scanner thanks to the straight through paper path.
- 4 Save space with engineering that delivers robust paper transport and heavy-duty features in a compact, desktop-friendly design featuring output stacking with controlled exit stacking and exit deflector.
- 5 USB 3.2 Gen 1x1 compatible and 10/100/1000 Ethernet Network Available.
- 6 Colour user interface with one touch destinations using Smart Touch.

*Optional integrated flatbed model available.

EPEAT Status

EPEAT® Gold: Kodak S3000 Series Scanners have achieved the status of EPEAT® Gold Registered and meet ENERGY STAR® guidelines for energy efficiency and for the reduction of hazardous substances and waste products.

ENERGY STAR® certified scanners are independently certified to save energy without sacrificing features or functionality.

The Kodak S3000 Series Scanners are purpose-built to deliver consistent throughput and minimise downtime for your office.

Feature comparison	Kodak S3060/S3060f Scanners	Kodak S3100/S3100f Scanners	Kodak S3120 Scanners
Throughput Speeds at 200 dpi/300 dpi ¹ (landscape, A4 size, black and white/ grayscale/colour)	Up to 60 ppm/120 ipm at 200 and 300 dpi.	Up to 100 ppm/200 ipm at 200 and 300 dpi.	Up to 120 ppm/240 ipm at 200 and 300 dpi.
Recommended daily volume	Up to 25,000 pages per day.	Up to 45,000 pages per day.	Up to 50,000 pages per day.
Shared features			
Feeder capacity	Up to 300 sheets of 80 g/m2 (20 lb.) paper.		
Software support	Fully supported by Smart Touch, Kodak Info Input Solution, Kodak Capture Pro Software, and Kodak Asset Management Software (WINDOWS only); WINDOWS Bundled drivers: TWAIN,ISIS,WIA Drivers.		
Warranty	1-year		
Electrical requirements	100-240 V (International); 50-60 Hz		
Power consumption	Off: less than 0.3 watts; Standby/Sleep mode/Network Standby: <4.0 watts; Ready mode: 13 watts; Scanning mode: < 50 watts.		
Environmental factors	EPEAT Gold ENERGY STAR Qualified Operating Temperature: 10-35° C (50-95° F); Operating Humidity: 15% to 80% RH		
Supported operating systems	WINDOWS 7 SP1 (32-bit and 64-bit), WINDOWS 8.1 (32-bit and 64-bit), WINDOWS 10 (32-bit and 64-bit), WINDOWS Server 2012 x64 Editions, WINDOWS Server 2016 x64 Editions, WINDOWS Server 2019 x64 Editions, LINUX UBUNTU5 and Neokylin5. Citrix Certified (USB only).		
Accessories (optional)	Imprinter for S2085f/S3000 Series; Kodak Carrier Sleeves (5 pack); Kodak S20851/S3000 Series Feed Consumables; Rear Exit Tray S2085f/S3000 Series; Document Extender for S20851/S3000; Kodak A3 size Flatbed.		
Dimensions	Weight: S3060/S3100/S3120 15.3 kg (33.8 lbs.), S3100f/S3060f 16.8 kg (37.1 lbs.); Depth: 370.84 mm (14.6 in.), with the input tray in the upright position; Width: 457.2 mm (18 in.); Height: 254 mm (10 in.)
