Sending Technology Solutions

pitney bowes 

SendPro® Mailstation

# Postage made simple.

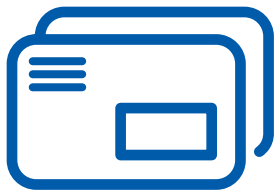

# Quick and easy postage printing.

Pitney Bowes has a tradition of innovating solutions that meet our clients' needs. With that in mind, we introduce to you our new sending device.

Plus, you will continue to receive automatic product updates as they become available, ensuring you always have the latest built-in features.

The new SendPro Mailstation is digitally connected, giving you access to a powerful set of tools, designed to simplify your sending and save you even more time and money.

## Quick and easy features make sending simple.

### **Accurately print postage**

Print postage in a matter of seconds from the comfort of your office.

### **Print up to 16 letters per minute.**

Print postage for letters and large envelopes up to 500 grams.

### **Refill your postage instantly.**

Quickly add postage directly from the device or your computer.

### **Pay the right amount on postage every time.**

Get automatic rate change updates with built-in internet connectivity.

### **Get more ways to save and send.**

Print discounted trackable shipping labels for larger and urgent items using PitneyShip™ Pro and access savings up to 34% off when shipping with Canada Post and up to 68% UPS daily rates.

### **Track shipments and receive e-mail notifications.**

Log into your online account to track your packages and give customers delivery dates.

# Innovative features make sending even simpler.

**Save time with the large, bright, full-colour touchscreen**

The easy-to-read intuitive interface takes the confusion out of mailing.

**Weigh with precision.**

The foldable digital scale accurately weighs envelopes and packages up to 2.5 kg (5 lbs).

**Automatically confirm addresses you've entered are correct.**

Save time, frustration and money by minimizing undeliverable mail with the included online address verification tool within PitneyShip Pro.

**Use the compact solution almost anywhere.**

The compact design fits in any office environment.

**Get unlimited Cost Accounting**

View all of your postage expenses within PitneyShip Pro.

# Designed to maximize ease of use.

2.5 kg (5 lbs) foldable scale with stand

Large, bright 4.3" full-colour touchscreen

St Isidore, ON, K0C 2B0

## Highly recommended for ease of use.

"We need a solution that can help simplify [mailing] and that's exactly what SendPro Mailstation helps us do... Plus [PitneyShip Pro] saves us more money, gives us shipment tracking, and validates addresses. Now we don't have to go to the post office or other carrier locations. We highly recommend SendPro Mailstation—it's sleek, compact, and easy to use."
