Shipping and Mailing

SendPro® C

Mailing made simple with SendPro C

Sending mail and small packages has never been easier.

SendPro C is designed to simplify mail processing, quickly send parcels and help you take advantage of exclusive savings. You'll eliminate trips to the post office and get time back to do business-critical tasks.

Process, print and save more with SendPro C.

- Process daily mail and print postage quickly, at up to 65 letters per minute.
- Weigh small parcels accurately with the integrated 2.5 kg scale.
- Automatically save a minimum of 3¢ on every letter and 8% on Canada Post parcel services.*

*As of January 17, 2019.

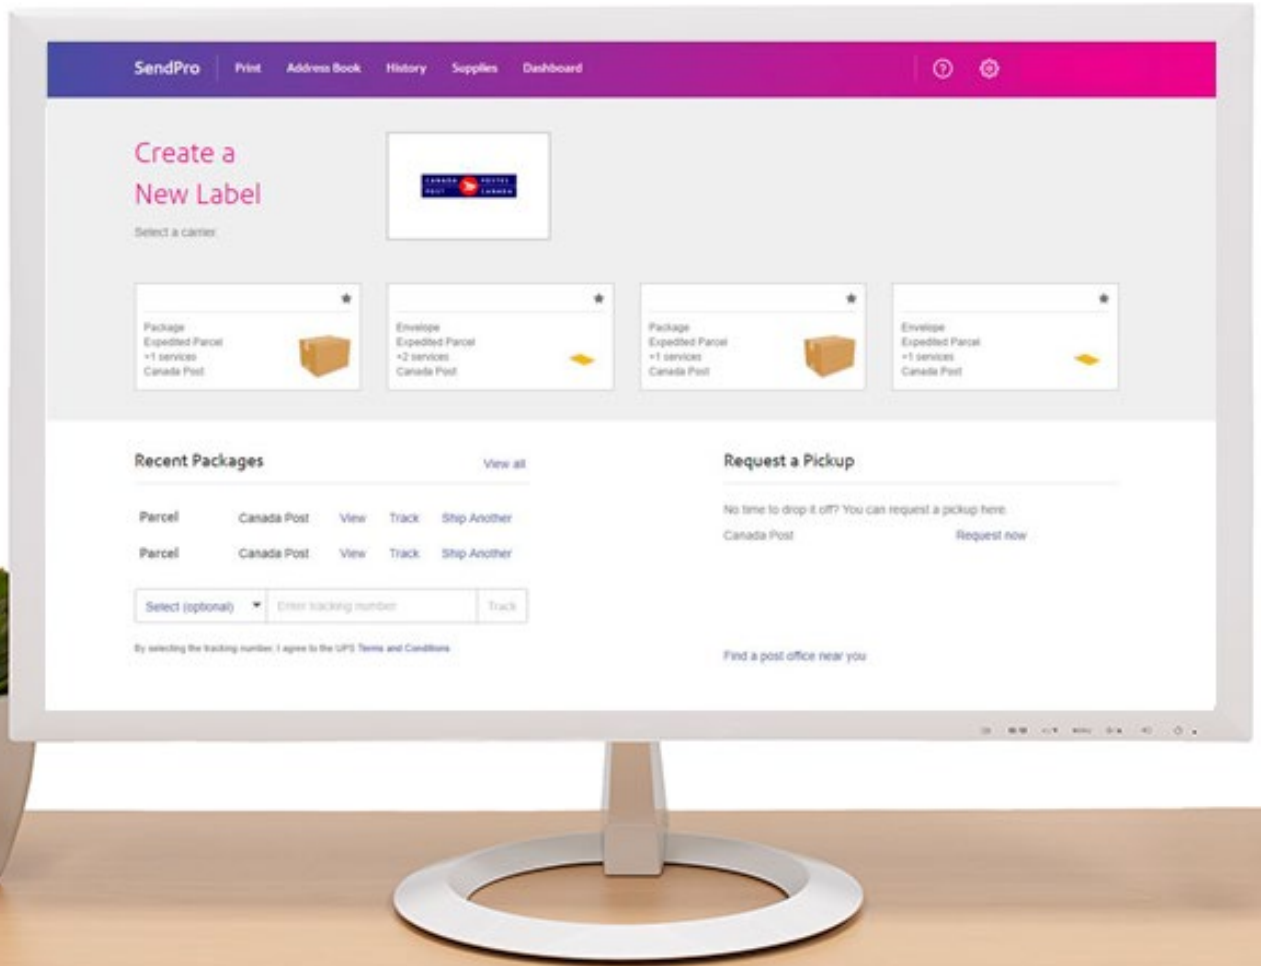

Send and track with ease.

- The easy-to-use, integrated address book accurately verifies addresses before you send.
- Automatically track Canada Post packages to ensure on-time delivery.
- Access to precise mailing and Canada Post shipping history gives users complete spend information.

Stay connected and stay in control.

- Get access to SendPro Online from any PC. You'll be able to ship via Canada Post anytime, anywhere.
- Our exclusive, integrated apps help you optimize your end-to-end shipping processes.

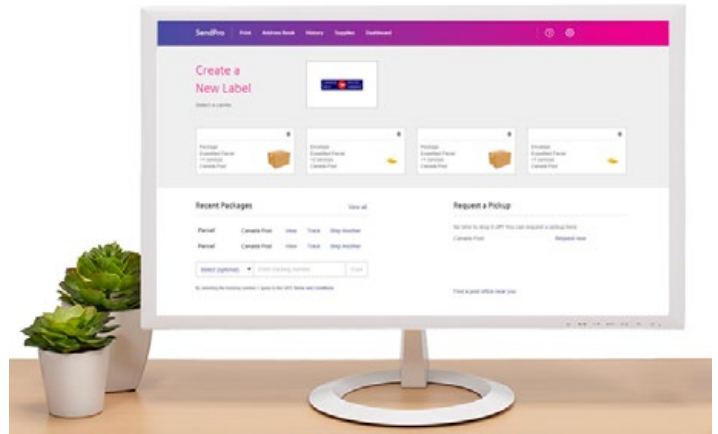

Support right at your fingertips.

- The SendPro Care app reduces downtime by enabling you to self-diagnose and troubleshoot device issues without the need to call into customer care.
- Automatic updates ensure you always pay the right amount for postage
- Low ink alerts and diagnostic notifications help reduce down time.

75% say self-service is a convenient way to address their customer service issues.
