

Shipping & Mailing  
Postage Meters

SendPro™ P Series

# Ship simply. Save money.

## Ship with your choice of carrier.

You have always saved money using your postage meter. Now, you can save when shipping parcels. With the SendPro P Series, you can ship parcels with Canada Post and other major carriers right from your postage meter. You not only gain access to Canada Post shipping discounts but also to negotiated rates with other carriers.

Having multiple carriers available on one platform enables you to control costs while streamlining workflow:

- Print compliant shipping labels.
- Consolidate cost reporting and package tracking for all carriers.
- Ship pre-addressed parcels with Canada Post by using just a postal code.
- Easily upload one address book to use for all carrier shipments.
- Automatically send email tracking updates to both the recipient and sender.

## The benefits of online shipping

The SendPro™ P Series has an integrated shipping capability that enables you to access your carrier accounts and qualifying Canada Post discounts. The system enables this access while helping to simplify the preparation of shipping labels and streamline payment for parcel shipping with each major carrier.

- Print professional-looking shipping labels complete with required barcodes for the major carriers including Canada Post.
- Qualify for discounted pricing tiers for Canada Post, and ship to the US or internationally.
- Increase parcel pricing rewards from Canada Post as your volume grows.
- Evaluate each carrier's service options to make the best choice.
- Gain greater visibility into your shipping spend with one consolidated report for all carriers.

## Desktop shipping

The SendPro P Series also enables users outside the mail area to ship packages from their individual PCs. Assigned office workers simply log in to ship or track a parcel delivery.

An optional integrated scale and label printer allows your office staff to weigh, rate and print professional shipping labels right from their PCs. So whether you process shipments in the mail center or need to ship from multiple locations, you can equip your staff with capabilities that link to one central, controlled account.

**Integrated printer:**  
Print professional shipping labels

**Colour touch screen:**  
View Canada Post and other major carriers' classes and services with an easy-to-use display.

**Weighing platform:**  
Ensure you are never paying more by accurately weighing your parcels.
