

UK Software Subscription Services and Equipment

Agreement

(February 2023)

Thanks for using our subscription services and leasing or purchasing equipment from us. These terms define the terms and conditions under which (i) you're allowed to use the service and how we'll treat your account while you're utilizing the service; and (ii) we will supply equipment.

We'll start with the basics, including a few definitions that should help you understand this agreement. This Software Subscription Service and Equipment Agreement (this "Agreement") is between you and Pitney Bowes Limited ("we", "us", and "our"). This Agreement will only apply if the services identified in your order form (the "Order") are not covered by one or more separate On-Demand or Subscription Service Agreements. Your services may also require one or more Statements of Work (each a "SOW").

The web sites, including mobile applications, through which you access the services (each a "Site"; the services and the Sites are collectively called the "Services") are owned and operated by us or our vendors. Additional product-specific license or other terms applicable to certain of the Services ("Product Terms") can be found at <https://www.pitneybowes.com/uk/software-product-terms-and-conditions.html> or via the Service onboarding process and are incorporated into this Agreement.

1. Eligibility

In order to use the Services, you must provide true, complete and up to date contact information for so long as you access the Services. You won't use the Services in a way that violates any laws or regulations, including any relating to data protection and privacy. We may refuse service or close your account if you fail to comply with this Agreement.

2. Use of the Service

- a) As long as you continue to comply with the terms of this Agreement, we grant you a non-exclusive, non-transferable license to access and use the Services for the number of months, and for up to the number of users, transactions, or other volume metrics specified in the Order. If applicable, you may upgrade your plan for additional fees. We are licensing the services to you, and we reserve all rights to the Services not expressly granted to you in this Agreement.
- b) You agree that you will use the Services only for business or commercial purposes and not for personal, family or household purposes.
- c) You won't use the Services for or make the Services available to any third party. In addition, you agree not to use the Services to send infringing, obscene, threatening or unlawful or tortious material or disrupt other users of the Services. Disruptions include but are not limited to denial of service attempts, distribution of advertising or chain letters, propagation of computer worms and viruses, or use of the Services to make unauthorized entry to any other device accessible via the Services. For the Services and related software, you will not (i) make derivative works; (ii) sublicense, sell, rent, lease, lend, time-share, disclose, transfer or host the Services, documentation or any other confidential or proprietary information to or for any other parties; (iii) use the Services to modify or reproduce a third party's materials unless you have the legal right to do so; (iv) distribute any part of the Services over any

network, including a local area network; or (v) extract any data from the Services and use such data for any purpose other than for your use of the Services.

d) You grant us and our third-party providers a non-exclusive license to copy, load, and process any document delivered under the Services, solely to provide the Services to you. You warrant that the you have the right to provide any documents and the use (including processing) of them or any data in them will not infringe any third-party rights, including without limitation, any copyrights, trademarks, patents, database rights, trade secret right or duty of confidentiality.

e) If you are delivered software for on premise installation as part of the Service (“Software”) the following additional terms apply: You won’t (i) reverse engineer, decompile or disassemble the Software, except as permitted by applicable law; (ii) make copies of the Software, other than a reasonable number of copies for use for disaster recovery purposes; and (iii) separate the components of the Software, or install and use such components separately and independently of the Software they comprise.

f) If you do not comply with this section 2, you will be in material breach of this Agreement, and we will have the right to immediately terminate your use of the Services.

3. Term and Termination; Suspension

a) The term of this Agreement begins on the effective date of the Order and will remain in effect for each Service for the duration of the Order or SOW applicable to such Service. Each Order or SOW will be effective as of the date in such Order or SOW and will remain in effect until its expiration or until your account is closed. If this Agreement is terminated, any Order entered into beforehand will, unless terminated under another provision of this Agreement, remain in effect for its entire term and this Agreement will remain in effect for the Order until its termination.

b) Except as set forth in an Order, SOW or Product Terms, you or we may terminate your account at any time and for any reason by giving 30 days’ notice to the other and we may suspend the relevant Service to you at any time, with or without cause. If we terminate for cause or you terminate the Service during the term or any renewal period you will be liable for all payments that would be due to us for the Service during the term or any renewal period had you not terminated.

c) We may at any time without notice: i) refuse to accept your Orders for the Sites and/or Services; ii) move, suspend or terminate all or any part of the Sites and/or Services; or iii) refuse to fulfill any Order or any part of any Order or terminate your account and delete any content stored in your account if, in our sole discretion, if you violate any laws in connection with your use of the Sites or the Services or if a competent regulatory authority requires us to do so.

d) Once your use of a Service is terminated, (i) we may permanently delete your account and all the data associated with it, (ii) you must immediately stop using the Service and Software, and remove any Software from the computers on which it was installed, (iii) each party will promptly return or destroy all confidential information of the other party; and (iv) your access to the Service will continue through the current billing period for access to the Service (the “Billing Period”) for which you have paid in advance, unless you have failed to comply with this Agreement, in which case your access will be immediately revoked. You won’t be entitled to a refund from us under any circumstances.

e) Termination of this Agreement will be in addition to and not in lieu of any other legal or equitable remedies available to us.

f) Renewal. The Service will continue into 12 month renewal periods after the end of the initial period as set out on the Order or a renewal period at the same frequency unless at least 1 month prior written notice is given by either party to the other expiring no earlier than the last day of the initial or then renewal period.

4. Changes

We may change the Services and any features from time to time, and if such changes are material, we will notify you by sending an email to the last email address you gave to us. If you do not wish to continue using the modified Services, you may terminate your use of the Service, effective the last day of the current Billing Period for which you have paid in advance. We may change any terms of this Agreement and the fees charged for using the Services by posting revised terms and/or fees on the Sites and/or by sending an email to the last email address you gave to us. The new terms and new fees will be effective on the first day of the next Billing Period and will apply thereafter. If you do not wish to agree to the new terms or the new fees, you must stop using that portion of the Services affected immediately.

5. Account and Password

By registering for the Services, you will be prompted to establish certain passwords and provide other access information to enable you to use the Services. You are responsible for keeping your account name, password and access information confidential. We aren't responsible for any losses due to stolen or hacked passwords.

6. Account Disputes

We don't arbitrate disputes over who owns an account. You won't request access to or information about an account that's not yours. We decide who owns an account based on the information that has been provided to us with respect to the account, and if multiple people or entities are identified, then we will rely on the contact information listed for that account.

7. Fees; Payment Terms

a) You will pay the fees for the use of the Services which are posted on the Sites or described in an Order or SOW, and may be changed from time to time, unless specified as conditions of a subscription type.
