Accurately weighing your outgoing mail and calculating the precise cost of postage for each item will save you money. Pitney Bowes' range of electronic scales allows you to work out the correct postage value for all types of mail, for anywhere in the world. There are models to suit every need with a maximum weighing capacity of 35kg and they link to your franking equipment to automatically set the correct postage value.

Postage meter re-credit charges

For **PostageByPhone (Payment in Advance)** a fee of £6 per refill is payable (£9 if payment by invoice).

For **PurchasePower (Payment in Arrears)** a fee of £5.50 will be applied to refills between £0 and £100, for refills between £101 and £1,300 a fee of £13 will be applied and for refills above £1,300 a fee of 1% will be applied.

Notes

- Inspection of Postage Meters by an approved person is a Royal Mail requirement and a list of approved persons can be obtained from them. Meter Inspection when purchased separately is £80 per annum. Service cover on other equipment is optional.
- Equipment can also be rented on a monthly, quarterly or annual basis. Prices available on application.
- Pitney Bowes manufactured equipment is maintained by Pitney Bowes during the relevant warranty period.
- The minimum period of cover is one year.
- Prices shown are exclusive of VAT and are correct at time of going to press, but are subject to change without notice.
- Customers are free to obtain leases from other companies.
- Fixed term service price includes a discount for paying all fees in year one. Service prices for other fixed term durations are available on request.
- All lease prices and lease agreements are subject to acceptance of terms and status.

Consumable supplies

To order supplies, such as ink and envelopes, or a supplies catalogue, call Pitney Bowes direct on 08444 992 992 or fax 08705 449450.

Service

All Pitney Bowes manufactured equipment on a service plan is covered by our Product Performance Guarantee.
