Franking Machines

DM220i™ digital franking machine
Capability and control

Do great things with a small budget.

Make the most of your budget with the least effort.

You can take back control of your spend, reduce it and achieve so much more besides. With detailed web-based reporting you can be sure you get great value and improved results without leaving your desk.

New ways to save.

- Print return addresses to improve accuracy of future campaigns
- Low-power sleep mode, reducing costs even on stand-by
- Automatically frank each mail piece with the correct tariff

A heavyweight champion.

- Integrated weighing platform weighs accurately up to 5kg
- Handles 45 pieces per minute, up to 9.5mm thick
- Optional weighing platform for items up to 35kg

Peace and quiet.

- Operates with minimum noise, so it won't disturb you or nearby workers
- Simple, intuitive, silent controls
- Advance the date and prepare mail for later in the week
- Minimise preparation with five presets

Make sure your mail is opened.

- Print messages on envelopes
- Advanced ink-jet printers give a professional finish
- Software allows personalised messages and graphics

Always connected.

- Re-credit your machine online.
- Order ink online
- Design messages online
- Automatically upgrade tariffs and software online

Know the facts.

- Date and time-stamp incoming mail
- See your expenditure by class, format and department
- Extract information and present graphical analysis
- Cross-charge between departments
- Identify inefficiency.

Future proof.

- 55 days credit facility on postage with Purchase Power
- Consolidate supplies and maintenance into one monthly statement
- Digital meter easily satisfies current and future postal regulations

Stay connected.

- No need for an analogue phone line
- Connect to your network for "always-on" working
- Get updates instantly
- Use your computer, tablet or phone to access data remotely

More discounts.

The DM220i automatically uses Royal Mail's 'Mailmark' service. This applies up-to-date discounts to your mail as you frank. No need to go searching for the best deals or double-check anything – it all just happens.

Serious specifications.
