Introducing the next generation of sending solutions from Pitney Bowes: SendPro[®] C Auto and SendPro[®] C Auto+

The essential tool for any business that wants painless mail processing.

Sending letters and parcels is made simple with our all-in-one practical solutions featuring automatic feeder and intuitive touchscreen interface. Bringing productivity to mail preparation time as you seal and frank your envelopes at the same time.

SendPro C Auto and SendPro C Auto+ provide a more streamlined way to process bulk mail and ship parcels with Royal Mail[®] and Parcelforce[®] Worldwide. It makes understanding and realising greater cost and time savings easy. By leveraging cloud technology, these innovative machines deliver high value and convenience through superior analytics and easy-to-use features and services.

Get savings that quickly add up.

Save up to 19p
vs. 1st class stamps¹

Save up to 6p
vs. 2nd class stamps¹

Save up to 67.94%
on sending parcels²

¹Save 19p versus Royal Mail[®] 1st class stamps and save 6p versus Royal Mail[®] 2nd class stamps with Mailmark[®] franking machine prices. Savings for other services can be found [here](#). Savings do not include equipment running costs or consumables. No minimum volumes needed (prices correct as of 2nd October 2023).

²Save up to 67.94% versus Parcelforce[®] Worldwide non-contract prices via www.parcelforce.com (prices correct as of 10th July 2023).

Get the functionality you want, combined with the full support you deserve.

Designed to minimise downtime:

Daily tasks are easy for everyone, thanks to our bright, user-friendly colour touchscreen. And it's so simple to operate. Get started right away with our integrated support articles and self-help videos.

Intuitive workflow:

You'll be amazed at how it all makes such perfect sense. A few taps of the sharp 7" colour touchscreen and you're on your way. You'll be done before you know it.

Eliminate wait times for support:

No need to call in for support. Get the help you need instantly from our easy-to-use website.

- Get support with live chat.
- Order supplies.
- Create and submit support cases to our technical team through your online account.
- View self-help articles and videos.

There's also helpful assistance through the intuitive touchscreen notifications as well as our how-to guides.

SendPro C Auto

SendPro C Auto+

SendPro[®] C Auto

Handle bulk mail processing quickly and easily.

SendPro C Auto is a powerful franking machine designed to be an efficient and cost-effective solution for businesses of all sizes, providing a quick and easy way to handle large volumes of mail and save time and money on postage.

Save on postage

7" colour touchscreen

Track spend

Automatic rate updates

Integrated 7 kg scale

Key benefits of the SendPro C Auto

Easy to use

- Easy-to-use, Android-based 7" colour touchscreen for simple operation.
- Print up to 120 letters per minute thanks to the automatic feeder.
- Intuitive menus make for easy selection and completion of jobs quick and accurate.
- Support options such as notifications, diagnostics and support articles and how-to videos to support users.
- Apply postage to larger flats and letters easily with the included strip tape dispenser.
- Smoothly feed your mail with our reverse separation technology.

Get – and stay – in control

- Refill postage online in seconds.
- Track your spending costs and balance easily.
- Receive automatic rate updates and service notifications.
- Check your wireless connection strength.
- View ink status.
- Order supplies.
- Enable multiple departments to print.

Ideal for any office

- 1D barcode printing for Special Delivery Guaranteed[®] and Royal Mail Signed For[®] services.
- Speed up your mailing workflow and prevent costly misprints with presets.
- Quiet performance.
- Eliminate trips to the post office.

Simplify and save

- An all-in-one sending solution for mail.
- Cut costs with substantial discounts from Royal Mail and Mailmark with up to 80p vs. 1st and 2nd class stamps³.
- See all your carrier's service options and pricing on one easy-to-read screen.
- Save more with increased visibility into spending through postage reports.

Reliability meets simplicity

- Rely on SendPro C Auto when running batches and during peak periods.
- Integrate seamlessly into your existing operation. It's designed to make the mailing process easier for users of any level.

See page 8 for specification.

³Up to and including 250g Royal Mail[®] 2nd class large letter vs stamps. Savings for other services can be found here . Savings do not include equipment running costs or consumables. No minimum volumes needed. (prices correct as of 2nd October 2023)

SendPro[®] C Auto+

Convenient parcel sending included as standard

Simplify the way your office sends domestic and international parcels with Royal Mail[®] and Parcelforce[®] Worldwide. By integrating with the shipping label printer and the digital scale, the SendPro C Auto+ solution makes it easy to weigh, compare service options, print shipping labels, track parcels and manage expenses online—for both carriers—in one easy-to-read screen. What's more, you'll save up to 67.94% on Parcelforce retail rates⁴ and take advantage of Royal Mail Delivery Confirmation service and preferential Mailmark[®] pricing, with savings of up to 80p versus stamps⁵.

Save on postage

7" colour
touchscreen

Track spend

Automatic
rate updates

Integrated
7 kg scale

Integrated shipping
label printer

SendPro C Auto+ includes all of the benefits of SendPro C Auto, plus:

Accurate parcel shipping

- Pay the right price for the services you select every time.
- Integrated scales to accurately weigh, input dimensions (for large letters and parcels) and print accurate shipping labels.
- Connect directly to supported carriers for accurate rates.
- Higher capacity scales available for weighing letters, large letters and even larger parcels.

Track parcels and control costs

- Consolidate your tracking information onto a single platform.
- View and print one consolidated report of all parcels shipped.
- Respond quickly to inquiries with access to detailed reports.

Ease of use

- Print labels to an integrated printer.
- Weigh envelopes, large letters and parcels on the integrated scale.

One address list to do it all

- Select addresses from one list for all carrier shipments.
- Easily upload contact lists or add new contacts as needed.
- You can include email addresses to notify recipients of expected deliveries.

Simplify and save

- Know how much you are paying before you ship.
- See all your carrier's service options and pricing on one easy-to-read screen.
- Ship and track from any desktop computer.
- Secure sign-in with access to all shipments.
- Enable additional users to ship, track or manage costs from their computer.
- Maximise savings by creating best practice shipping processes.

See page 9 for specification.

⁴Save up to 67.94% versus Parcelforce[®] Worldwide non-contract prices via www.parcelforce.com (prices correct as of 10th July 2023).

⁵Mailmark[®] savings for sending parcels through Royal Mail services can be found [here](#). Savings do not include equipment running costs or consumables. No minimum volumes needed (prices correct as of 2nd October 2023).
