

Simplify your shipping payables

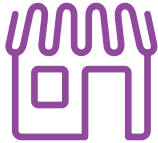

Shipping is essential to your business. So is working capital. Pitney Bowes makes it easier to manage both. Our dedicated mailing and shipping credit line transforms a never-ending stream of carrier bills into one consolidated invoice.

With extended payment terms for carrier bills, you can hold onto cash longer while benefiting from savings and operational efficiencies. Best of all, nothing changes with how you ship.

Your benefits

-  **Cashflow**
Keep cash longer
-  **Efficiency**
Reduce AP processing by 50%+

How it works

- Multiple carriers utilized
- Net 7 day terms (standard for UPS® and FedEx®)

Significant time savings through more efficient payment handling.

Today, your shipping carriers send frequent invoices that require payment within a few short days. That means you're spending significant time processing invoices and tying up valuable cash. Pitney Bowes transforms multiple carrier charges into one payment.

Ship now.

Pay later.

Pitney Bowes pays your carriers, and then sends you a consolidated invoice so you can pay later.

Save time and free up resources.

Stop spending unnecessary time processing shipping invoices. We'll help you improve payables efficiency and simplify shipping payments.

- Streamline accounts payable processes.
- Enable easier allocations to clients or functional departments.
- Eliminate time-consuming invoice sorting, tracking and approval.
