

Smooth Mailing with Pitney Bowes Presort Services

Focus on what you do best, and leave the mailing to us.

Mailing becomes more complex by the day. Postal costs keep rising, labor to process mailings grows more expensive, and USPS® mailing requirements keep changing. What doesn't change? Your need to meet delivery expectations and budget projections.

Sounds like you could use the support of mailing specialists.

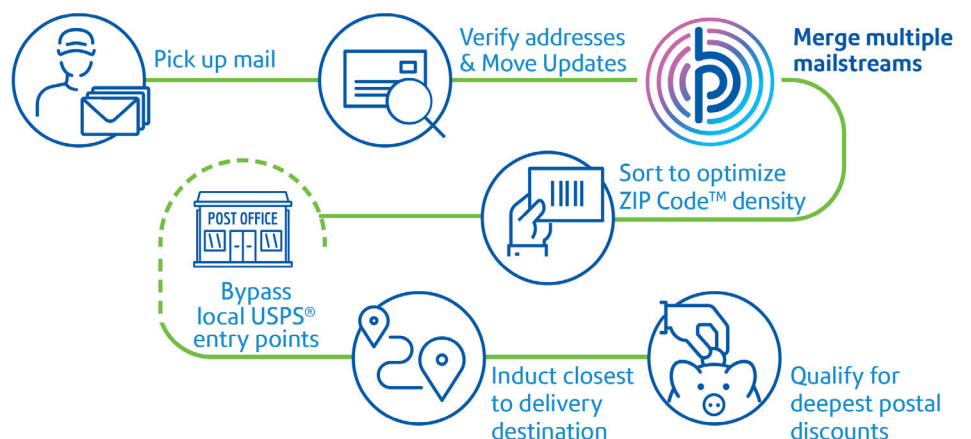

We're Presort Services.

Consistent, predictable delivery of mail at the lowest possible postage rate is what we do. That's how we've improved the customer mailing experience for more than 100 years. We can do the same for you:

- First-Class Mail® letters and flats
- Marketing Mail® letters, flats and parcels
- Bound Printed Matter parcels

What we do.

- **Improve mail deliverability:** Verifying address accuracy against the USPS database of valid mailing addresses improves your delivery success rate.
- **Take the shortcut:** Presorting your mail to the finest ZIP sort and inducting it into the USPS network closer to its final destination eliminates the slow-down of sorting at every step along the way.
- **Save your business money:** Commingling your mail with other mailers' qualifies you for more per-piece savings.

Scale up with no hassles.

We have the flexibility to handle all your mailing needs, on an ongoing basis or as-needed. Experience our end-to-end mailing excellence everyday with process and automation innovations that increase speed, efficiency and accuracy, while eliminating costly errors.

Expecting a volume surge? We provide the extra hands and capabilities to help you and your team handle it. Anytime you need additional support to get a project out the door, call for our Concierge Service which includes:

- Mail pick-up at your facility
- Quality check for address quality and weight
- Commingling for optimal postage discounts
- Induction into the USPS mailstream
- Accounting/budgeting, reporting and tracking

Compliance and guidance.

We have our fingers on the pulse of the mailing industry. As the second largest mailer in the world, our experts are armed with knowledge about ever-evolving USPS regulations and industry-specific requirements to help you stay compliant.

Imagine a challenging mailing scenario...we've seen it and solved it. You'll have a dedicated Client Relationship Manager to help you move your mail smarter, answer all your questions, and keep you informed.
