Shipping expenses are eating my business alive. I need a less expensive option.

Meet Liz

Liz is the owner of a mid-sized ecommerce business. She ships all kinds of products all over the globe. Currently, Liz utilizes commercial carriers to deliver her goods. But, when it comes to shipping her smaller, lightweight products she's spending a lot of money. And, Liz simply cannot afford to leave money on the table. Liz needs a carrier that can help her ship products faster for cheaper, while easily integrating with her existing shipping application. Liz doesn't have time to wait. She needs an affordable option, and she needs it fast.

Our merchants have seen a 5% lift in revenue by expanding their carrier networks to include USPS®.

More Savings

Shipping her products no longer costs Liz's business an arm and a leg. With USPS through Pitney Bowes, Liz gets upfront pricing to help her better manage shipping expenses.

- Up to 70% lower dimensional rate pricing
- Free packaging on select Priority Mail™ products
- Only pay for the return labels you use
- No surcharges on shipments to Hawaii, Alaska and US territories
- Online postage discounts
- The only money-back guarantee for Priority Mail™ Shipments

Better Service

When it comes to shipping, Liz doesn't need another carrier. Liz needs tracking, customer service and delivery options that simply work. And, with Pitney Bowes through USPS on her side, Liz has all her bases covered.

- Real-time tracking
- Delivery to 220+ countries
