

Mailing

Save on postage without doing any extra work

Large companies earn postal discounts based on the high volume of mail they send. Now you can save as well with PresortXtra™. Let us process your mail with the millions of pieces we handle every day.

It's easy when you use your postage meter. Simply apply the lower PresortXtra™ rate and date your mail for the next day. It will be picked up, processed and inducted into the USPS® network. We do the work and you save time and money.

Maximized convenience

You can realize real savings now, now matter how often you mail.

- No more hassling with trips to the Post Office. Pick-ups scheduled when you need them.
- No long-term contracts required
- Mail is delivered to the USPS for final delivery
- Tiered pricing and pick-up fee based on volume
- A sort fee of \$0.040 per piece will be charged for every First-Class™ letter
- A sort fee of \$0.51 per piece will be charged for every First-Class flat

Improved accuracy

Benefit from services that help ensure mail reaches the right person, at no added cost to you.

- Delivery point validation verifies that the address exists
- Address cleansing standardizes addresses and adds Zip+4
- Move Update automatically updates addresses when people move

Attentive service

Get the answers you need every step of the way. Ask our specialists any questions you have about meter set-up, training or requirements.
