Postage Management

Postage By Phone® Reserve Account

Control your postage expenses.

Now, it's simple to track, manage and consolidate postage.

Many businesses rely on multiple postage meters, permits, mail houses or business reply accounts. The funding and management of this expense can be complex – and significant.

The Pitney Bowes Reserve Account makes it easier than ever to take control. Now, you can administer all your postage through a single source that features customized reports providing line-item details and roll-up summaries. It's simple to put your entire organization's postage expenses at your fingertips.

Manage all your postage in one place, automatically.

Reserve Account enables you to allocate funds and monitor each account right from your desktop. You can track balances and expenses for every meter, permit and mail house, whether you mail from one site or hundreds.

Gain the visibility you need to run your business.

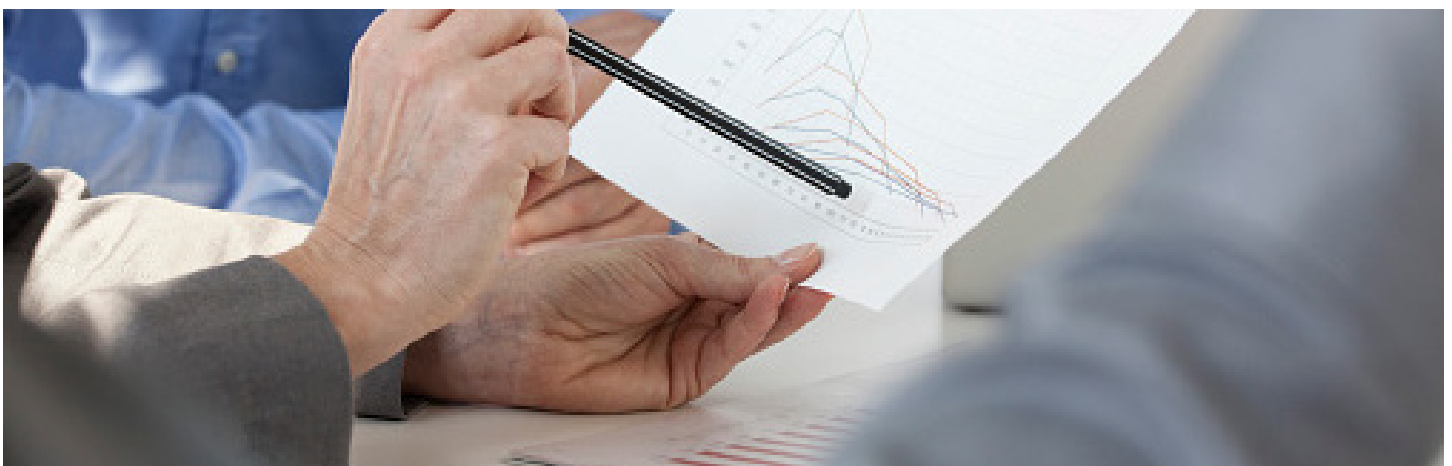

A dynamic, online system consolidates your postage accounts into one, easy-to-read report. You can view, sort and download every detail going back a full 18 months.

Earn free postage.

Deposit funds into an FDIC-insured account by check, wire transfer or ACH. You can even earn interest in the form of free postage; creating savings on a necessary expense.

Ensure mail goes out on time, every time.

With our Scheduled Pay option, you control when and how your account is funded. Safeguards, including a back up credit line, mean you'll never run low on postage.

Control the allocation of your postage funds.

With nearly \$1 billion in assets, the Pitney Bowes Bank offers secure, FDIC-insured accounts designed specifically to support businesses and their postage needs. You can administer postage for your entire company in one place, controlling how, when and where your funds are used.

Get the insight you need to succeed.

Reconcile costs and validate every expense down to the cost center or chargeback code. You can sort data by department, permit, meter or program and produce comprehensive reports with a single click. Capture trends, pinpoint opportunities and identify ways to save time and money.

Take advantage of outstanding savings.

You can consolidate postage payments in a single check, wire transfer or ACH to reduce administrative costs and hassles. In between mailings, funds on deposit will earn interest in the form of free postage, which is automatically credited to your account.

View your company's entire postage in one place, automatically.

By consolidating your efforts, Reserve Account enables you to view, sort and download every detail, for every mailing, across your entire organization.

- Metered postage
- Permit mail
- Mail house postage
- Presorted mail

Available 24/7, the secure Pitney Bowes website makes it easy to print reports and track expenses over the prior 18 months.
