Postage Meters

# Get the USPS<sup>®</sup> IMI-compliant solution you're looking for.

No one matches the value, ease and efficiency of SendPro<sup>®</sup>, from Pitney Bowes.

Keep pace with today's mailing and shipping demands, plus be fully prepared for the USPS IMI requirements. Take advantage of the advanced features found in the SendPro line today.

To learn more, contact your Pitney Bowes sales representative.

### Large color touchscreens

Bright, vibrant and easy to read. Get the job done with just a few taps.

### Enhanced security and connectivity

Digital connectivity plus increased data encryption standards means enhanced security during data transmissions.

### Access to discounted postage rates

Save on both mailing and shipping, including discounts not available at the post office. For example:

- Save 5¢ on every First-Class® letter sent.
- Save up to 40% off USPS Priority Mail® shipments.<sup>1</sup>
- Save up to 66% on daily rates with pre-negotiated UPS® discounts.<sup>2</sup>

### Detailed cost accounting

Gain complete visibility into your postage spend, itemized by account.

### Automatic rate updates

Each new rate change is sent directly to your device to ensure correct postage, minimizing returned mail.

### Built-in analytics reporting

Gain useful insights to help manage your sending more efficiently and identify areas to reduce costs.

### Trusted partner of USPS

No one has more experience working with USPS than Pitney Bowes. For more than 100 years, we've worked hand in hand to improve our clients' mailing and shipping experience.
