## Ways to save

With your Pitney Bowes SendPro® device or PitneyShip® multicarrier shipping software, **you save 4 cents on every letter** you send vs. using stamps.

**Save \$1.58 on every piece of Certified Mail.** Electronic Return Receipt (E-RR) offers the same benefits of the traditional "Green Card" without the need for manual processing. With E-RR, all signatures are stored digitally for easy retrieval when needed.

Switch from meter tapes to **USPS shipping labels** and automatically **save with discounts** on Priority Mail, Priority Mail Express, and Ground Advantage. Log into PitneyShip online to print and save. Ask your account manager how the PitneyShip Cube makes it even easier.

**PitneyShip** saves you even more with **special Pitney Bowes discounts** on Priority Mail and Ground Advantage. Our USPS partnership delivers you the best rates - rates that are so low we can't publish them. PitneyShip also unlocks special Cubic pricing for smaller packages that weigh up to 20 lbs.

Consider **USPS Ground Advantage** for packages weighing **less than a pound** or for packages that don't require expedited shipping. Ground Advantage offers significant savings vs. other shipping services from the major carriers. Its 2-5 day delivery offers another affordable alternative to ground services for packages up to 70lbs.
