Ways to save

With your Pitney Bowes SendPro® device or PitneyShip® multicarrier shipping software, **you save 4 cents on every letter** you send vs. using stamps.

Save \$1.58 on every piece of Certified Mail. Electronic Return Receipt (E-RR) offers the same benefits of the traditional "Green Card" without the need for manual processing. With E-RR, all signatures are stored digitally for easy retrieval when needed.

Switch from meter tapes to **USPS shipping labels** and automatically **save with discounts** on Priority Mail, Priority Mail Express, and Ground Advantage. Log into PitneyShip online to print and save. Ask your account manager how the PitneyShip Cube makes it even easier.

PitneyShip saves you even more with **special Pitney Bowes discounts** on Priority Mail and Ground Advantage. Our USPS partnership delivers you the best rates - rates that are so low we can't publish them. PitneyShip also unlocks special Cubic pricing for smaller packages that weigh up to 20 lbs.

Consider **USPS Ground Advantage** for packages weighing **less than a pound** or for packages that don't require expedited shipping. Ground Advantage offers significant savings vs. other shipping services from the major carriers. Its 2-5 day delivery offers another affordable alternative to ground services for packages up to 70lbs.
