Ways to save

With your Pitney Bowes sending device or SendPro® Online, you automatically **save 5 cents on every letter** you send vs. stamps.

Seamlessly access **USPS Commercial Base discounts up to 40%** by printing USPS shipping labels (IMpb) from the shipping app on your device or by using SendPro Online.

Avoid the 16% increase on First-Class Flats by folding documents in half and switching to a 6" x 9.5" envelope. This simple change can save you over 54% on postage. Explore duplex printing to reduce the weight of the envelope.

Take advantage of **postal discounts on mailings of 500 letters or more**. Presort/automation rates give you the same discounted rate for letters up to 3.5 ounces. Qualify for these discounts with Pitney Bowes software, Mailstream on Demand outsourced print to mail service, or Pitney Bowes Presort Services.

Certified Mail with Electronic Return Receipt (E-RR) offers the same benefits of the traditional "Green Card" without the need for manual processing. With E-RR all signatures are stored digitally, and you **save \$1.20 per piece**.
