Ways to save

With your Pitney Bowes sending device or SendPro® Online/PitneyShip® shipping software, you save 3 cents on every letter you send vs. using stamps.

Save \$1.25 on every piece of Certified Mail. Electronic Return Receipt (E-RR) offers the same benefits of the traditional “Green Card” without the need for manual processing. With E-RR, all signatures are stored digitally for easy retrieval when needed.

Switch from meter tapes to USPS shipping labels and automatically save with USPS discounts on Priority Mail, Priority Mail Express, and First-Class Packages. Just use the shipping app on your device or log in to PitneyShip/SendPro shipping software to save.

PitneyShip saves you even more with special Pitney Bowes discounts on Priority Mail. Our USPS partnership delivers you the best rates - rates that are so low that we can't publish them. PitneyShip also unlocks special Cubic pricing for smaller packages that can weight up to 20 lbs.

Consider First-Class Package Service (FCPS) for your packages weighing less than a pound. FCPS offers significant savings vs. other shipping services from the major carriers. The weight limit for First-Class Packages increases from 13 oz. to 15.999 oz when printing the shipping label rather than a meter tape.

Your USPS® savings are built-in with PitneyShip®/SendPro®

Here's how one customer **saved over 16% in one month*** by switching from meter tapes to USPS shipping labels with PitneyShip/SendPro.

First-Class Mail®
