Ways to save

With your Pitney Bowes sending device or PitneyShip® software, you save 3 cents on every letter you send vs. using stamps.

Save \$1.35 on every piece of Certified Mail. Electronic Return Receipt (E-RR) offers the same benefits of the traditional "Green Card" without the need for manual processing. With E-RR, all signatures are stored digitally for easy retrieval when needed.

Switch from meter tapes to USPS shipping labels and automatically save with discounts on Priority Mail, Priority Mail Express, and Ground Advantage. Log into PitneyShip online to print and save. Ask your account manager how the PitneyShip Cub makes it even easier.

PitneyShip saves you even more with special Pitney Bowes discounts on Priority Mail. Our USPS partnership delivers you the best rates - rates that are so low that we can't publish them. PitneyShip also unlocks special Cubic pricing for smaller packages that weigh up to 20 lbs.

Consider USPS Ground Advantage for packages weighing less than a pound. Ground Advantage offers significant savings vs. other shipping services from the major carriers. Its 2-5 day delivery offers another affordable alternative to ground services for packages up to 70lbs.
