Shipping and Mailing

SendPro® C

Mailing made simple with SendPro C

Sending mail and small packages has never been easier.

SendPro® C is designed to simplify mail processing, quickly send parcels and help you take advantage of exclusive savings. You'll eliminate trips to the post office and get time back to do business-critical tasks.

Process, print and save more with SendPro® C.

- Process daily mail and print postage quickly, at up to 65 letters per minute.
- Weigh small parcels accurately with the integrated 5 pound scale.
- Automatically save 5¢ on every letter and up to 40.4% on Priority Mail®.*

*As of January 27, 2019.

Send and track with ease.

- The easy-to-use, integrated address book accurately verifies addresses before you send.
- Automatically track USPS® packages to ensure on-time delivery.
- Access to precise mailing and USPS shipping history gives users complete spend information.

6.16 billion

There were over 6.16 billion undeliverable-as-addressed USPS mailings in fiscal year 2018.
