AutoInk™ program

# The most affordable and convenient way to buy genuine Pitney Bowes ink for your postage meter.

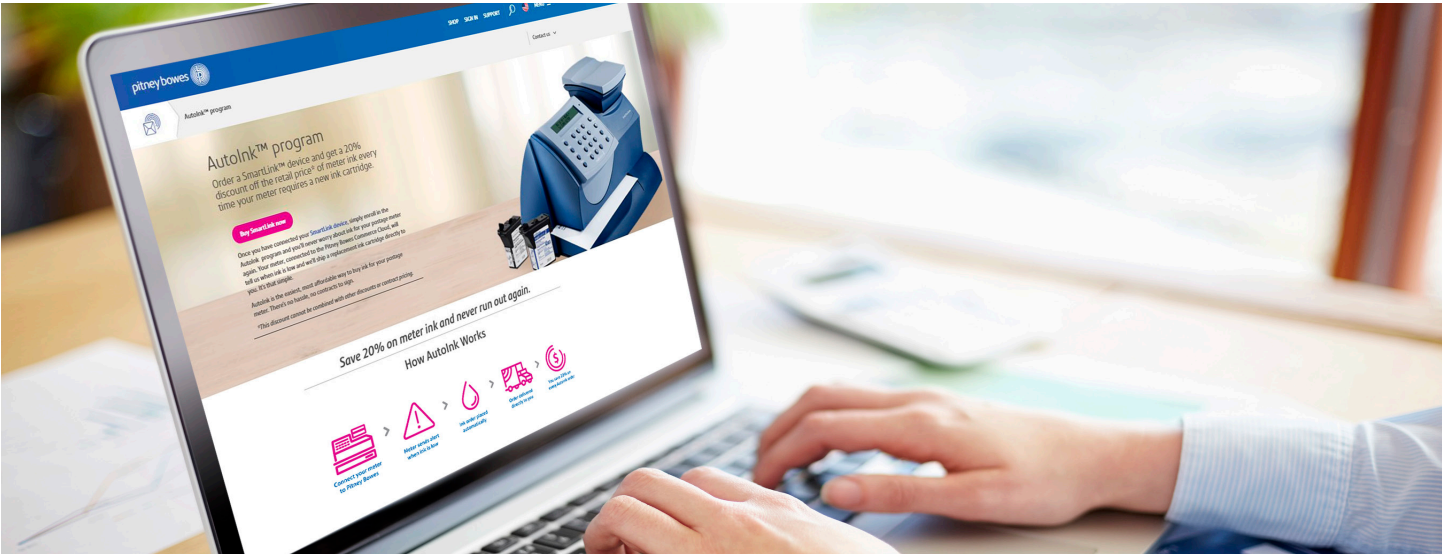

Save 20% on meter ink—and never run out again†.

**Simply enroll for the AutoInk program, the latest time-saving solution from Pitney Bowes.**

With this program, you'll never worry about ink for your postage meter. Your meter, connected to the Pitney Bowes Commerce Cloud, will tell us when ink is low and we'll ship a replacement ink cartridge

directly to you. It's that simple. You'll save 20% off the retail price† on every order of meter ink placed through the AutoInk program.

†This discount cannot be combined with other discounts or contract pricing.

## Receive the right ink, just when you need it.

Stop worrying about running out of ink. Forget about managing meter ink inventory. Let your meter do the work for you.

Using the latest technology, your postage meter is digitally connected to the Pitney Bowes Commerce Cloud. When your meter ink runs low, your machine will tell us to ship the necessary replacement ink.

Your postage meter ink arrives when you need it. What's more, gain peace of mind knowing that you'll never miss a mail date due to insufficient ink supply.

## Save money on genuine Pitney Bowes meter ink.

By enrolling in the AutoInk program you will save 20% off the retail price of ink†, unless you already receive special negotiated contract prices. In this case, simply enjoy the cost savings you already receive, and let the AutoInk program ensure you never run out of ink again.
