AutoInk™ program

SmartLink™ technology

AutoInk, the easiest, most affordable way to buy ink for your postage meter.

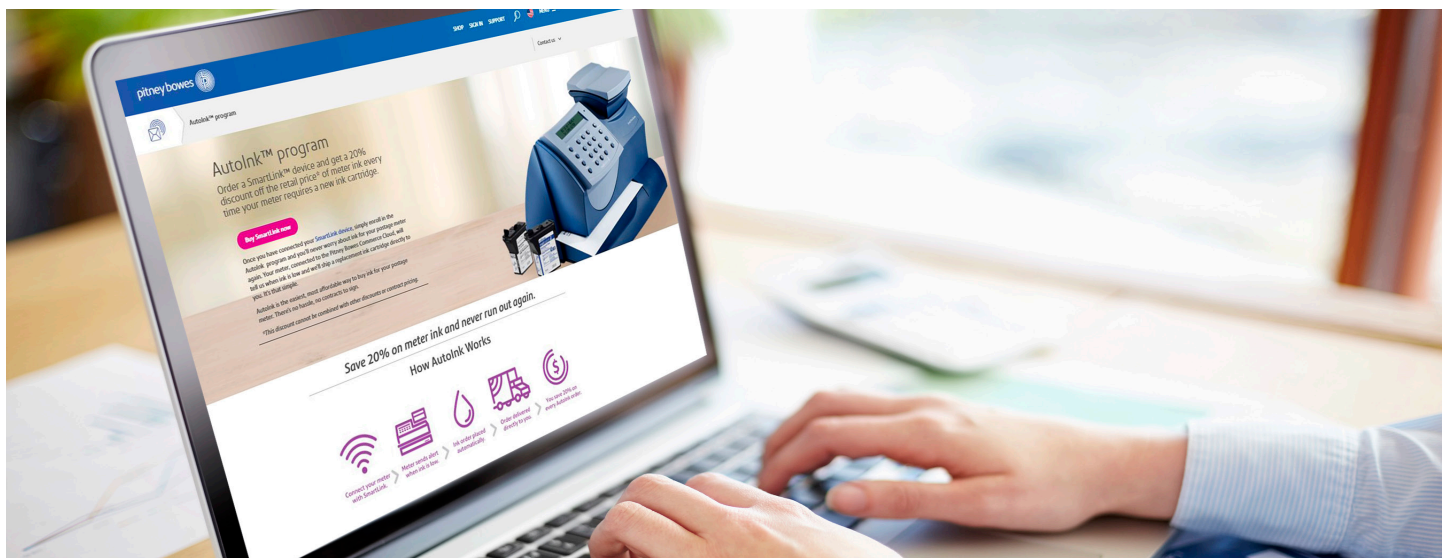

Save 20% on meter ink—and never run out again.

Simply enroll for the AutoInk program, the latest time-saving solution from Pitney Bowes.

With this program, you'll never worry about ink for your postage meter. Your meter, connected to the Pitney Bowes Commerce Cloud, will tell us when ink is low and we'll ship a replacement ink cartridge

directly to you. It's that simple. You'll save 20% off the retail price[†] on every order of meter ink placed through the AutoInk program. *SmartLink™ customers are eligible for this new money-saving program.

How the AutoInk™ program works:

The AutoInk program ensures your postage meter always has genuine Pitney Bowes ink. That helps you

mail important documents for your business without interruption.

Receive the right ink, just when you need it.

Stop worrying about running out of ink. Forget about managing meter ink inventory. Let your meter do the work for you.

Use SmartLink technology to connect each of your meters to the Pitney Bowes Commerce Cloud, so when your meter ink runs low, your machine will tell us to ship the necessary replacement ink. Then sit back and relax.

Your postage meter ink arrives when you need it, and with the AutoInk program you'll save money on every order. What's more, gain peace of mind knowing that you'll never miss a mail date due to insufficient ink supply.

Enroll for the AutoInk program today.

There's no hassle and no fee to participate in the AutoInk program. If you aren't satisfied, you can cancel at any time without penalty. Enrolling is easy. Just go to Your Account at pitneybowes.us/signin.

To enroll for AutoInk*, first connect your SmartLink™ device and then go to Your Account at pitneybowes.us/signin and enroll in the program.

*To participate in the AutoInk program, your postage meter needs a digital connection to the Pitney Bowes Commerce Cloud through SmartLink™ technology. SmartLink technology is an integrated hardware/software solution from Pitney Bowes, now available for Pitney Bowes mailstation, DM100I® and DM200L™ postage meters.
