

Mailing

Parcel and Mail Sorting

Presort Services

Reduce postage, labor and transportation costs with Bound and Packet Mail commingling.

Mailing cost and complexity continue to rise, creating challenges for mailers.

Saving money, streamlining operations and meeting customer expectations aren't nice to have... they're critical to the growth of your business. That's why companies turn to Pitney Bowes Presort Services. We help you mail smarter and grow faster.

We commingle mail so you can focus on your core business.

Presort Services is the nation's largest presort network with over 35+ operating centers commingling 16 billion pieces of mail annually. Now featuring the capability to commingle Bound and Packet Mail, Presort Services is your single source for simplifying mail processing and realizing cost savings. Our proven processes, solutions and transportation capabilities take the stress out and put greater efficiencies in.

Send more with Presort Services.

We make it simple with local pickups scheduled at your convenience. Regional processing supports your business needs across the country for:

- Standard Flats
- Bound Printed Matter Flats
- Bound Printed Matter Parcels

Minimize overhead. Maximize value.

- **Control unknown costs.** With fixed, per-piece pricing there are no surprise accessorial or dimensional fees.
- **Track your mail with robust reporting.** IntelliVIEW™ and our Enhanced Tracking Portal make it easy to track, report and process billbacks as needed.
- **Meet USPS® and industry compliance requirements.** Our team will help keep you up to date as regulations change.
- **Fund postage with prepaid deposit account or credit line with industry standard terms.** Our flexible payment solutions support your unique business needs.
- **Receive local assistance from expert Client Service Managers** to assist you with all your mailing needs. You'll always have help from a team who knows and understands your business.
- **Simplify vendor management.** Manage your letter mail, standard flats and bound printed matter, all through a single trusted partner.

Our advanced technology solutions make mailing easier.

Presort Services also offers additional value-added solutions to further enhance your mailing process including:

- Integrated label generation via the proven Pitney Bowes shipping API
- Increased tracking visibility
 - Self-service downloads at the Pitney Bowes portal
 - Customer-facing portal where your customers can view tracking information
 - Tracking API that can be fully integrated into your existing business process

We're here to help.
