You may request service by contacting Pitney Bowes by telephone or you may place a request via Pitney Bowes' website www.pb.com.

- (a) During Maintenance Support, Pitney Bowes shall use commercially reasonable efforts to respond to issues identified by Licensee within a commercially reasonable time. The determination and classification of reported issues by Licensee shall be made by Pitney Bowes's Customer Service Department ("**CSD**"). Pitney Bowes's CSD shall evaluate and identify each issue and assign it an appropriate severity level. In the absence of unusual circumstances, issues with a greater severity level shall be treated with a higher priority level than those with a lesser severity level. Pitney Bowes currently classifies severity levels and responds as follows:

Severity Level 1: Primary functionality of the Pitney Bowes Software has been lost and there is no work-around. Until the severity level is reduced or the problem is resolved, Pitney Bowes CSD will work continuously during Normal Operating Hours (as defined below) to develop a plan to resolve the problem and, thereafter, will assign appropriate resources to implement plan. Pitney Bowes CSD will provide status updates to Licensee regularly, which shall be no less frequently than daily at end of day.

Severity Level 2: Same as Severity Level 1, except there is a reasonable work-around.

Severity Level 3: Use of the Pitney Bowes Software is impaired and there is a work-around. Until the severity level is reduced or the problem is resolved, Pitney Bowes CSD will work during Normal Operating Hours to develop a plan to resolve the problem and, thereafter, will assign appropriate resources to implement plan. Severity Level 5: Licensee has requested a new feature or modification of the Pitney Bowes Software. Pitney Bowes CDS will discuss the request with Licensee, inform Licensee if the request can be accommodated, with or without additional charge, and if it can, provide status updates to Licensee in accordance with a mutually agreed upon time schedule.

- (b) Maintenance Support shall be limited to telephone, Internet or electronic customer support response(s) at our sole discretion; and is contingent upon Licensee providing access, as requested by Pitney Bowes, for Internet and/or electronic remote support. Maintenance Support is provided under the condition that Licensee provides adequate information with respect to any malfunction in the Pitney Bowes Software.
- (c) * On-site support shall be provided at U.S. locations only and upon written request of Licensee and the execution of, or in conjunction with, an additional agreement with Pitney Bowes. If Licensee requests on-site assistance, Licensee shall be billed for and pay appropriate time and travel-related expenses. If Pitney Bowes determines that error corrections must be performed on-site, the related services are billable to Licensee unless Licensee has elected coverage under a Tier 2 Service Plan.
- (d) If Licensee is provided with Internet and/or electronic customer support, it is Licensee's responsibility to determine the access allowed to its equipment. Pitney Bowes accepts no responsibility for any problems, loss or damage caused directly or indirectly by Pitney Bowes personnel or any other third parties when providing such service except to the extent directly caused by Pitney Bowes's, and not caused by Licensee's, negligence or willful misconduct.
- (e) * We service your Software on-site at our sole discretion, Monday through Friday, 8 a.m. to 5 p.m. in your local U.S. time zone, excluding PBI-observed U.S. holidays. 2.0.2 Updates

Software application updates are installable by Customer. If installation is required by Pitney Bowes, Pitney Bowes will install such updates at its then current rates. You must be fully current with installation of Updates provided by Pitney Bowes in order to be entitled to software maintenance services. "Update" for the purposes of software maintenance means a fix to previously reported "bug(s)", a technical upgrade and/or an esthetic change to the Software. An Update is intended to substantially correct a functional deviation between the Software as issued and the Software's User Manual and/or specifications, but does not introduce new functionality. An Update is typically indicated by a change within a version level of the Software -- e.g., version 1.2 would be an update of version 1.1.

Pitney Bowes will employ commercially reasonable efforts to provide Updates. Pitney Bowes may also make changes in the User Manual to correct or remove errors in documentation and to bring the User Manual into substantial compliance with the Software.

2.1 Data Subscription

Pitney Bowes will distribute to you Database updates to the Databases, such as carrier rating structure files. Updates will be distributed as such updates are made available by Pitney Bowes from time to time. Data subscription services and Database updates or carrier services do not apply to software that is carrier rate specific and which Pitney Bowes maintains. Database updates are installable by you. If installation is required by Pitney Bowes, Pitney Bowes will install such Database updates at its then current rates. You are entitled to only one (1) copy of each update. Replacement updates may be provided by Pitney Bowes, in its sole discretion; if such a replacement update is provided, you will pay Pitney Bowes' then applicable service charge for such update. Pitney Bowes cannot and does not warrant the availability, accuracy or timely dissemination of non-Pitney Bowes originated source data incorporated in the Databases.

Pitney Bowes may, from time to time, change the services provided under this Agreement, modify the terms of this Agreement, or terminate such services or this Agreement, at Pitney Bowes' discretion, with notice to Customer. Pitney Bowes will advise you, in such notice, if it believes, in its sole judgment, that any such change or modification is material. If you receive notice that any such change or modification is material, you may terminate this Agreement by delivering to Pitney Bowes written notice of your desire to terminate within thirty (30) days after your receipt of such notice from Pitney Bowes. Any such termination by you shall be effective ten (10) business days after Pitney Bowes' receipt of your notice of termination. Your notice must include your Customer account number and, if applicable, your lease number and be sent to Pitney Bowes in the manner and to the address set forth in Section 4.0 above.

If Customer breaches this Agreement, the Sales/Lease Agreement or any other agreement with Pitney Bowes or one of its affiliates, Pitney Bowes may immediately terminate the services or this Agreement. If the services or this Agreement are terminated by Pitney Bowes or if Customer has terminated this Agreement as provided in this Section 5.0, Pitney Bowes' sole obligation shall be a pro rata refund of Customer's fee for the terminated services except if the termination is due to breach by Customer of the Software License Agreement. Except as provided in this Section 5.0, under no circumstances may you cancel or terminate this Agreement during the term; and you may only terminate for the successive period by providing timely notice of non-renewal as provided above.

IN NO EVENT WILL PITNEY BOWES BE LIABLE FOR ANY DAMAGES, INCLUDING ANY LOST PROFITS OR INCIDENTAL, CONSEQUENTIAL, SPECIAL, PUNITIVE OR OTHER DAMAGES, EVEN IF WE HAVE BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES. WITHOUT LIMITING THE FOREGOING, PITNEY BOWES' LIABILITY ARISING OUT OF CONTRACT, NEGLIGENCE, STRICT LIABILITY, IN TORT OR WARRANTY, OR OTHERWISE SHALL NOT EXCEED THE AMOUNTS PAID BY CUSTOMER FOR THE SOFTWARE MAINTENANCE AND DATA SUBSCRIPTION PROVIDED UNDER THIS AGREEMENT DURING THE 12-MONTH TERM OF THIS AGREEMENT DURING WHICH SUCH LIABILITY AROSE.
