6. NON-DISCRIMINATION IN EMPLOYMENT:

The Contractor agrees not to discriminate in any manner against an employee or applicant for employment because of race, color, religion, creed, age, sex, marital status, national origin, ancestry, or physical or mental handicap unrelated in nature and extent so as reasonably to preclude the performance of such employment and to post and to cause subcontractors to post conspicuous places available to employees and applicants for employment, notices setting forth the substance of this clause.

7. FINANCIAL DISCLOSURE:

The Contractor shall comply with State Finance and Procurement Article §13-221, Annotated Code of Maryland, which requires that every business that enters into contracts, leases or other agreements with the State and receives in the aggregate \$200,000 or more, during a calendar year shall, within 30 days of the time when the \$200,000 reached, file with the Secretary of State certain specified information to include disclosure of beneficial ownership of the business.

14. TERMINATION FOR CONVENIENCE:

Upon ninety (90) days prior written notice to the Contractor, the State may terminate this Contract, in whole or in part whenever the State shall determine that such termination is in the best interest of the State. The State shall pay all reasonable costs incurred up to the date of termination and all reasonable costs associated with termination of the Contract. However, the Contractor may not be reimbursed for anticipatory profits. Termination hereunder, including the determination of the rights and obligations of the parties, shall be governed by the provisions of COMAR 21.07.01.12A(2). Any underlying leases to this agreement will remain in full force and effect throughout the stated lease term of such lease agreement, subject to termination provisions (including any applicable termination charges) stipulated with such lease.

15. TERMINATION FOR CAUSE (DEFAULT):

When the Contractor has not performed or has unsatisfactorily performed the Contract, payment may be withheld at the discretion of the State. Failure on the part of a Contractor to fulfill contractual obligations shall be considered just cause for termination of the Contract and the Contractor is not entitled to recover any costs incurred by the Contractor up to the date of termination. Termination hereunder, including the determination of the rights and obligations of the parties, shall be governed by the provisions of COMAR 21.07.01.11B.

16. DISPUTES; NOTICES OF CLAIM, OR CLAIMS:

This Contract shall be subject to the provisions of Title 15, Subtitle 2 of the State Finance and Procurement Article of the Annotated Code of Maryland and COMAR.21.10 (Administrative and Civil Remedies). Pending resolution of a claim, the Contractor shall proceed diligently with the performance of the contract in accordance with the procurement officer's decision.

17. MULTI-YEAR CONTRACTS:

If funds are not appropriated or otherwise made available to support continuation in any fiscal year succeeding the first fiscal year, this Contract shall terminate automatically as of the beginning or the fiscal year for which funds are not available. The Contractor may not recover anticipatory profits or costs incurred after termination.

18. INTELLECTUAL PROPERTY:

Contractor agrees to indemnify and save harmless the State, its officers, agents and employees with respect to any claim, action, cost or judgment for patent infringement, or trademark or copyright violation arising out of purchase or permitted use of materials, supplies, equipment or services covered by this Contract.

19. MARYLAND LAW PREVAILS:

The provisions of this Contract shall be governed by the laws of Maryland.

20. CONTRACTOR'S INVOICES:

Contractor agrees to include on the face of all invoices billed to the State, its Taxpayer Identification Number, which is the Social Security Number for individuals and sole proprietors and Federal Employer Identification Number for all other types of organizations.

21. PAYMENT OF STATE OBLIGATIONS:

Payments to the Contractor pursuant to this Contract shall be made no later than 30 days after the State's receipt of a proper invoice from the Contractor. Charges for late payment of invoices, other than as prescribed by Title 15, Subtitle 1, of the State Finance and Procurement Article, Annotated Code of Maryland, or by the Public Service Commission of Maryland with respect to regulated public utilities, as applicable, are prohibited.

Electronic Funds Transfer: This provision on Electronic Funds Transfer applies to contracts of over \$200,000 for which payments are made through the State Comptroller. Electronic funds transfer will be used by the State to pay Contractor for this Contract and any other State payments due Contractor unless the State Comptroller's Office grants Contractor an exemption. By submitting a response to this solicitation, the Bidder or Offeror agrees to accept payments by electronic funds transfer unless the State Comptroller's Office grants an exemption. After award of a contract, the selected Bidder or offeror shall register with the Comptroller of Maryland using the forms required by the Comptroller. For further information go to:

<http://compnet.comp.state.md.us/gad/vendorinfo/eft/default.asp>

Any request for exemption must be submitted to the State Comptroller's Office for approval at the address specified on the COT/GAD X-10 form and must include the business identification information as stated on the form and include the reason for the exemption.

22. PRE-EXISTING REGULATIONS:

The regulations set forth in Title 21 of the Code of Maryland Regulations (COMAR Title 21) in effect on the date of execution of this Contract are applicable to this Contract.

23. INDEMNIFICATION:

The State shall not assume any obligation to indemnify, hold harmless, or pay attorneys' fees that may arise from or in any way be associated with the performance or operations of this agreement.

24. CONFLICTING TERMS:

Any proposal for terms in addition to or different from those set forth in this purchase order or any attempt by the Contractor to vary any of the terms of this offer by Contractor's acceptance shall not operate as a rejection of this offer, unless such variance is in the terms of the description, quantity, price or delivery schedule, but shall be deemed a material alteration thereof, and this offer shall be deemed acceptable by the Contractor without the additional or different terms. If this purchase order is an acceptance of a prior offer by the Contractor, the acceptance is expressly conditioned upon Contractor's assent to any additional terms contained herein. The Contractor understands and agrees that the terms and conditions of this purchase order may not be waived.

25. DRUG AND ALCOHOL FREE WORKPLACE:

The Contractor warrants that the Contractor shall comply with COMAR 21.11.08 Drug and Alcohol Free Workplace, and that the Contractor shall remain in compliance throughout the term of this purchase order.

26. CHANGES - WORK ORDERS:

Changes: The Procurement Officer unilaterally may, at any time, without notice to the sureties, if any, by written order designated or indicated to be an order, make any change in the work within the general scope of the contract, including but not limited to changes:

In the specifications (including drawings and designs);

In the method or manner of performance of the work;

In the State-furnished facilities, equipment, materials, services, or site; or Directing acceleration in performance or delivery.

Any other written order or an oral order, including a direction, instruction, interpretation, or determination from the Procurement Officer that causes or constitutes any such change shall be treated as a change order under this clause provided that the Contractor gives the Procurement Officer written notice stating the date, circumstances, and source of the order and that the Contractor regards the order as a change order.

Except as herein provided, no order, statement, or conduct of the Procurement Officer shall be treated as a change under this clause or entitle the Contractor to an equitable adjustment hereunder.

Subject to paragraph (6) of this subsection, if any change under this clause causes an increase or decrease in the Contractor's cost of, or the time required for, the performance of any part of the work under the contract, whether or not changed by an order, an equitable adjustment shall be

made and the contract modified in writing accordingly; provided, however, that except for claims based on defective specifications, no claim for any order under (2) above shall be allowed for any costs incurred more than twenty (20) days before the Contractor gives written notice as therein required; and provided further, that in the case of defective specifications for which the State is responsible, the equitable adjustment shall include any increased cost reasonably incurred by the Contractor in attempting to comply with such defective specifications.

If the Contractor intends to assert a claim for an equitable adjustment under this section, he shall do so in accordance with and subject to the disputes procedures of the contract.

Each contract modification or change order that affects contract price shall be subject to the prior written approval of the Procurement Officer and other appropriate authorities and to prior certification of the appropriate fiscal authority of fund availability and the effect of the modification or change order on the contract budget or total cost. If, according to the certification of the fiscal authority, the contract modification or change order will cause an increase in cost that will exceed budgeted and available funds, the modification or change order may not be made unless sufficient additional funds are made available or the scope of the contract is adjusted to permit its completion within the project budget.

No claim by the Contractor for an equitable adjustment hereunder shall be allowed if asserted after final payment is made under this Contract.

As used in this section, "work" means any and all commodities, goods, materials, labor, services, manner or time of delivery or performance, or other elements of performance required to be furnished or supplied by the Contractor under this Contract.

Miscellaneous: In the event of a dispute between the Department and the Contractor as to whether any work is included in the scope of the contract such that the Contractor would be obligated to provide that work at no additional cost to the State, the Procurement Officer may order the Contractor under this section to perform the work (a "Work Order"). If the Contractor considers such an order to be a change in the scope of the contract entitling the Contractor to additional compensation, a time extension, or other relief, the Contractor must provide the notice required by this section and initiate a claim therefore in accordance with contract requirements. An order of the Procurement Officer, by virtue of being called or referred to as a "change order," does not necessarily constitute a change in the scope of the contract or in the work required under the contract. The Contractor shall not be entitled to additional compensation, a time extension, or other relief for complying with an order of the Procurement Officer if the contract otherwise requires the Contractor to perform as stated in the order.

Upon receipt of a signed written order of the Procurement Officer under this section, the Contractor shall comply with the order promptly, within the requirements of the required completion or delivery time, whether or not the Contractor signs or accepts the change order. Failure to comply with the order in a timely manner shall constitute a breach of the contract and grounds for termination for default or any other remedy available to the State.

The State may issue a unilateral order on the State's terms (including a promise to pay the Contractor a "not to exceed" ("NTE") amount) which the Contractor may then dispute in accordance with the disputes procedures of the contract. Pending resolution of such a dispute, Contractor must proceed diligently with performance of the contract as ordered by the Procurement Officer.

The terms "not to exceed" and "NTE" when used in a change order mean that the amount of the change order (whether an increase or a decrease in the contract amount) will be a reasonable amount not to exceed the amount stated.

27. RETENTION OF RECORDS:

The Contractor shall retain and maintain all records and documents relating to this Contract for three years after final payment by the State hereunder or any applicable statute of limitations, whichever is longer, and shall make them available for inspection and audit by authorized representatives of the State, including the procurement officer or designee, at all reasonable times.

28. COMPLIANCE WITH LAWS:

The Contractor hereby represents and warrants that:

- A. It is qualified to do business in the State of Maryland and that it will take such action as, from time to time hereafter, may be necessary to remain so qualified;
- B. It is not in arrears with respect to the payment of any monies due and owing the State of Maryland, or any department or unit thereof, including but not limited to the payment of taxes and employee benefits, and that it shall not become so in arrears during the term of this Contract;
- C. It shall comply with all federal, State, and local laws, regulations, and ordinances applicable to its activities and obligations under this Contract; and
- D. It shall obtain, at its expense, all licenses, permits, insurance, and governmental approvals, if any, necessary to the performance of its obligations under this Contract.

29. COST AND PRICE CERTIFICATION:

The Contractor by submitting cost or price information certifies that, to the best of its knowledge, the information submitted is accurate, complete, and current as of a mutually determined specified date prior to the conclusion of any price discussions or negotiations for:

- A. A negotiated contract, if the total contract price is expected to exceed \$100,000, or smaller amount set by the procurement officer; or
- B. A change order or contract modification, expected to exceed \$100,000, or smaller amount set by the procurement officer.

The price under this Contract and any change order or modification hereunder, including profit or fee, shall be adjusted to exclude any significant price increases occurring because the Contractor furnished cost or price information, which, as of the date agreed upon between the parties, was inaccurate, incomplete, or not current.

30. BID / PROPOSAL AFFIDAVIT:

Each Bidder or offeror shall execute and attach to the bid or proposal the affidavit included with this solicitation.

31. CONTRACT AFFIDAVIT:

The successful Bidder or Offeror shall execute and deliver to the Procurement Officer prior to the award of the contract the Contract Affidavit included with this solicitation. (The Affidavit also can be found at COMAR 21.07.01.25).

32. PUBLIC INFORMATION ACT NOTICE:

Offerors should give specific attention to the identification of those portions of their proposals that they deem to be confidential, proprietary information or trade secrets and provide any justification why such materials, upon request, should not be disclosed by the State under the Access to Public Records Act, Title 4 of the General Provisions Article, Annotated Code of Maryland.

33. MINORITY BUSINESS ENTERPRISE NOTICE:

Minority Business Enterprises are encouraged to respond to this solicitation.

34. ARREARAGES:

By submitting a response to this solicitation, a vendor shall be deemed to represent that it is not in arrears in the payment of any obligation due and owing the State of Maryland, including the payment of taxes and employee benefits, and that it shall not become so in arrears during the term of the contract if selected for contract award.

35. MULTIPLE OR ALTERNATE BIDS:

Unless multiple or alternate bids are requested in the solicitation, multiple or alternate bids may not be accepted. If the solicitation does not request multiple or alternate bids, if received they will be treated in accordance with COMAR 21.05.02.21.

36. BPO/PO AS CONTRACT:

This provision applies to all procurement contracts procured by the State of Maryland except contracts for the procurement of architectural and engineering services for a price of greater than \$200,000.

As used in this provision, a bid refers to a bid submitted under competitive sealed bidding and to an offer submitted under competitive sealed proposals.

As used in this provision, a Bidder refers to a Bidder under competitive sealed bidding and to an offeror under competitive sealed proposals.

As used in this provision, a solicitation means an Invitation for Bids, a request for proposals, or any other document requesting bids or proposals for procurement by the Department.

The Bidder's execution and submission of a responsive bid constitutes a promise by the Bidder to perform the contract solicited by the Department in accordance with the terms and conditions stated in the solicitation. The bid shall be irrevocable for the period stated in the solicitation or for such longer period as the Bidder and the Department may agree.

Upon acceptance of a bid, the Procurement Officer may issue a Blanket Purchase Order (BPO), in a form to be determined by the Department, to the Bidder accepting the bid and binding the Bidder to a contract. The execution and issuance of a BPO by the Procurement Officer, subject to all necessary approvals, shall constitute acceptance of the bid and final award of the contract. The

contract of the parties will be embodied in the contract documents, which shall consist of the executed BPO of the Procurement Officer, including all documents, terms, and conditions incorporated into those documents by the terms of the solicitation, the BPO, the bid, or by operation of law, and the executed bid of the Bidder. If the Procurement Officer issues a BPO, at the option of the Procurement Officer it will not be necessary for the Bidder to execute the BPO or any other form of contract or agreement. The Procurement Officer may require that the parties both execute a single document as the embodiment of the contract between the parties.

In the event of a conflict between provisions of the contract documents, the controlling provisions shall be, in the following order, those of:

- The BPO; then
- The Solicitation; and then The
- Bid.

37. RETURNED GOODS:

Contractor(s) shall be entitled to recover reasonable compensation for any and all goods shipped in accordance with authorized agency orders, meeting all contract requirements, and returned by the agency for reasons other than the Contractor's failure to meet contract requirements. Compensation shall be limited to actual unreimbursed costs incurred by the Contractor including, but not limited to, restocking charges, shipping charges, plus reasonable profit. Contractor must provide written proof of claimed compensation. A return of goods covered by this section shall be deemed a partial termination for convenience as to the returned goods, and the termination provisions in the applicable lease shall apply.

38. PURCHASES BY OTHER ENTITIES – INDEFINITE QUANTITY CONTRACTS:

This provision applies to indefinite quantity contracts.

Pursuant to the State Finance and Procurement Article, Section 13-110 of the Annotated Code of Maryland, except as provided in (B), the following entities may purchase materials, supplies, and equipment under this Contract:

- (B) The right to purchase under this section shall be in addition to, but not in substitution for, the applicable purchasing power granted to any of the listed entities pursuant to any statutory or charter provision.

All purchases under this Contract by any such entity as described above which is not a unit or agency of the State of Maryland for which the State of Maryland may be held liable in contract: (1) shall constitute a purchase or contract between the Contractor and that entity only; (2) shall not constitute a purchase or contract of the State of Maryland; (3) shall not be binding or enforceable against the State of Maryland or any of its units or agencies; and (4) may be subject to other terms and conditions agreed to by the Contractor and the purchaser.

Contractor bears the risk of determining whether or not any entity from which the Contractor receives an order under the contract is a unit or agency of the State of Maryland such that the contract may be enforced against the State of Maryland.

42. NON-AVAILABILITY OF FUNDING

If the General Assembly fails to appropriate funds or if funds are not otherwise made available for continued performance for any fiscal period of this Contract succeeding the first fiscal period, this Contract shall be canceled automatically as of the beginning of the fiscal year for which funds were not appropriated or otherwise made available; provided, however, that this will not affect either the State's or the Contractor's rights under any termination clause in this Contract. The effect of termination of the Contract hereunder will be to discharge both the Contractor and the State from future performance of the Contract, but not from their rights and obligations existing at the time of termination. The Contractor shall be reimbursed for the reasonable value of any nonrecurring costs incurred but not amortized in the price of the Contract. The State shall notify the Contractor as soon as it has knowledge that funds may not be available for the continuation of this Contract for each succeeding fiscal period beyond the first.

43. USE OF ESTIMATED QUANTITIES (IF APPLICABLE)

Unless specifically indicated otherwise in the State's solicitation or other controlling documents related to the Scope of Work, any sample amounts provided are estimates only and the Agency named in this Contract does not guarantee a minimum or maximum number of units or usage in the performance of this Contract. The report shall be submitted electronically in Excel format. As a minimum, the report shall reflect the contract number, contract item number and description, the dollar volume purchased of each item, agency identification, and the contract total. The report shall be filed within thirty (30) days after the end of each reporting period. Any exception to this mandatory requirement may result in cancellation of the award. Failure to provide the report with the minimum required information may also negate any contract extension clauses. The usage report shall be emailed to the dgs.statewidecontractsusagereport@maryland.gov.

46. ELECTRONIC TRANSACTION FEE:

- a. Contractor shall pay an electronic transaction fee to the State in the amount of one percent (1%) of the total contract sales. Contract shall mean the Participating Addendum between the State of Maryland and Pitney Bowes Inc. entered into pursuant to Sourcewell Contract #11322-PIT. The electronic transaction fee is calculated based on all sales transacted under the contract, minus any returns or credits. The electronic transaction fee shall not be charged directly to the customer, e.g., as a separate line item, fee or surcharge, but shall be included in the contract's unit prices.
- b. The electronic transaction fee shall be submitted to the Office of State Procurement, Fiscal Services Division, 301 W. Preston Street, Room 1309, Baltimore, MD, 21201, thirty (30) days after the end of each reporting period along with a Monthly Usage Report documenting all contract sales. An excel version of the Monthly Usage Report shall be emailed to dgs.statewidecontractsusagereport@maryland.gov.
- c. Failure to remit transaction fees in a timely manner or remittance of fees inconsistent with the contract's requirements may result in the State exercising all recourse available under the contract including, but not limited to, a third party audit of all contract activity. Should an audit be required by the State, the contractor shall reimburse the State for all costs associated with the audit up to \$10,000.00 or one (1%) percent of the contract's estimated annual value, whichever is higher.
- d. Prior to Award, Contractors will be asked to confirm in writing that their unit prices include the one percent (1%) electronic transaction fee.

ATTACHMENT 3

STATE OF MARYLAND OPERATING LEASE AGREEMENT

THIS STATE OF MARYLAND OPERATING LEASE AGREEMENT (the “**Agreement**”) is entered into as of July 28, 2022 (“**Effective Date**”), by and between Pitney Bowes, Inc. (“**PBI**”), Pitney Bowes Global Financial Services, LLC and the State of Maryland, acting by and through the Department of General Services (“**State**”). The terms set forth in this Agreement are hereby incorporated into any Order issued by a Purchasing Entity under the Participating Addendum between the State and PBI.

Let’s start with a few definitions that should help you better understand your agreement. “**PBI**” means Pitney Bowes Inc. “**Pitney Bowes**” means PBI and its subsidiaries. “**We**”, “**our**” or “**us**” refers to the Pitney Bowes companies with whom you’ve entered into the Order. “**You**” or “**your**” refers to the entity identified on the Order. “**Meter**” means any postage meter supplied by PBI under the Order, including (i) in the case of a Connect+®, a SendPro® P series or a SendPro C series mailing system, the postal security device that accounts for and enables postage to be purchased and printed (“**PSD**”), and (ii) in the case of all other mailing systems, the PSD, the user interface or keyboard and display and the print engine. “**Meter Services**” means: access to the PSD to download, account for, and enable printing of postage within a PBI Postage Evidencing System as defined in Title 39, Part 501 of the Code of Federal Regulations (“**CFR**”); USPS mandated processes associated with the PSD, including registration, usage reporting and withdrawal; repair or replacement of the PSD as described in Section 27; and the Softguard Program outlined in Section 29. “**Equipment**” means the equipment listed on the Order, excluding any Meter or standalone software. “**Lease**” means Lease terms and conditions set out in Sections 1 through 9. “**Order**” means the purchase order the individual Purchasing Entity issues when obtaining Equipment under this Agreement. “**Purchasing Entity**” means all state agencies, institutions of higher education, political subdivisions and other entities authorized to use statewide contracts in the State of Maryland. Purchasing Entity shall be deemed to be the State with regards to any Order issued by a Purchasing Entity under the Participating Addendum between the State and PBI.

The provisions included in these Terms consist of: (i) Lease Terms; (ii) General Terms; (iii) a Service Level Agreement (“**SLA**”); (iv) Equipment Rental and Meter Services Terms; (v) an Acknowledgement of Deposit required by the United States Postal Service in any transaction involving a Meter; (vi) Purchase Power® Terms for a limited purpose credit line that may be available to you; and (vii) provisions relating to specific products.

LEASE TERMS

1. Lease of Equipment; Provider of Leasing Services

If you are leasing Equipment, these Lease terms apply. PBI is the manufacturer of the Equipment. Pitney Bowes Global Financial Services LLC, a wholly-owned subsidiary of PBI, or one of its subsidiaries (“**PBGFS**”), provides you with the leasing services. The term of this Lease is the number of months stated on the Order (the “**Lease Term**”) and begins on the date the Equipment is delivered if we don’t install the Equipment, and the date of installation if we install the Equipment. You understand that we own the Equipment. PBI owns any Meter as USPS regulations require. Except as stated in Section 3, you don’t have the right to become the owner of the Equipment at the end of the Lease Term.

2. Payment Terms

We will invoice you quarterly in arrears for all payments on the Order, unless the Order says otherwise (each such payment is a “**Periodic Payment**”). You will make each Periodic Payment by the due date shown on our invoice. Your Periodic Payment may include a one-time origination fee, amounts carried over from a previous lease, software license and maintenance fees and other charges. Any Meter Services fees, SLA fees and subscription fees (collectively “**PBI Payments**”) will be included with your Periodic Payment and begin with the start of the Lease Term. After the Lease Term, your Periodic Payment will increase if your PBI Payments increase. Payment by the State for all Periodic Payments and PBI Payments is governed by Code of Maryland Regulations 21.07.01.18.

3. End of Lease Options

During the 90 days before your Lease ends, you may, unless you are in default: (i) enter into a new lease or an amended lease with us; (ii) purchase the Equipment “as is, where is” for its fair market value; or (iii) return the Equipment and Meter in their original condition, reasonable wear and tear excepted, and pay us our then applicable processing fee (including any equipment return fee). If you return the Equipment and Meter, you will, as specified by us, either properly pack and return them to us in the return box and with the shipping label provided by us or furnish them to a service carrier specified by us to pick up and ship them to us. If you don’t do one of the things listed in clause (i), (ii) or (iii) above, you will be deemed to have agreed to enter into successive month to month extensions of the term of this Lease, unless prohibited by law. You may choose to cancel the automatic extensions at any time by giving us 30 days’ written notice by creating a case at pitneybowes.com/us/contact-us.html (follow the instructions under “how to create a case”). Upon cancellation, you agree to either return all items as provided in this Section 3 or purchase the Equipment.

4. WARRANTY AND LIMITATION OF LIABILITY

PBI PROVIDES YOU WITH THE LIMITED WARRANTIES IN SECTION 10. PBGFS MAKES NO WARRANTIES, EXPRESS OR IMPLIED, INCLUDING ANY WARRANTY OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, OR FREEDOM FROM INTERFERENCE OR INFRINGEMENT, AND PBGFS ISN’T LIABLE FOR ANY LOSS, DAMAGE (INCLUDING INCIDENTAL, CONSEQUENTIAL OR PUNITIVE DAMAGES) OR EXPENSE CAUSED DIRECTLY OR INDIRECTLY BY THE EQUIPMENT.

5. Equipment Obligations

You will keep the Equipment free from liens and in good condition and working order. We may inspect the Equipment and related maintenance records. You may not move the Equipment from the location specified on the Order without our prior written consent.

6. Risk of Loss

You bear the entire risk of loss, theft, damage or destruction to the Equipment from the date of delivery to you until the Equipment is returned to, and received by, us, regardless of cause, ordinary wear and tear excepted (“**Loss**”). No Loss will relieve you of any of your obligations under this Lease. You must immediately notify us in writing of any Loss. To protect the Equipment from loss, you will keep the Equipment insured against Loss for its full replacement value under a comprehensive policy of insurance or other arrangement that is reasonably satisfactory to us (“**Insurance**”).

7. Other Lease Terms

- (a) If more than one lessee is named in this Lease, liability is joint and several. You, and any guarantor signing the Order or any documents executed in connection with this Lease, agree to furnish us financial information upon request. Each of these persons authorizes us to obtain credit reports on them now and in the future.
- (b) You may not assign or sublet the Equipment, the Meter or this Agreement without our prior written consent. Any assignment without our consent is void. We may sell or assign all or part of this Lease or the Equipment, but it will not affect your rights or obligations.
- (c) We will provide you with a welcome letter by email.

8. NON-APPROPRIATION

If the General Assembly fails to appropriate funds or if funds are not otherwise made available for continued performance for any fiscal period of this Agreement succeeding the first fiscal period, this Agreement shall be cancelled automatically as of the beginning of the fiscal year for which funds were not appropriated or

Sourcewell State of Maryland Operating Lease Agreement rev 7/22

otherwise made available; provided, however, that this will not affect either the State's rights or PBI's rights under any termination clause in this Agreement. The effect of termination of the Agreement hereunder will be to discharge both PBI and the State from future performance of the Agreement, but not from their rights and obligations existing at the time of termination. PBI shall be reimbursed for the reasonable value of any non-recurring costs incurred but not amortized in the price of the Agreement. The State shall notify PBI as soon as it has knowledge that funds may not be available for the continuation of this Agreement for each succeeding fiscal period beyond the first.

9. EARLY TERMINATION

You further warrant that you intend to enter into this Operating Lease for the entire Lease Term and you acknowledge that we have relied upon such represented intention when determining the applicable pricing plan. Notwithstanding the foregoing, upon 30 days written notice, this Agreement may be terminated by the State in accordance with this clause in whole, or the Purchasing Entity may terminate an individual lease in accordance with this clause in whole, whenever the State, or the Purchasing Entity, shall determine that such termination is in the best interest of the State, or the Purchasing Entity, as the case may be. The State will pay all reasonable costs associated with this Agreement or an Order, that PBGFS has incurred up to the date of termination and all reasonable costs (including the charges outlined below) associated with termination of this Agreement. However, PBGFS shall not be reimbursed for any anticipatory profits that have not been earned up to the date of termination. Termination hereunder, including the determination of the rights and obligations of the parties, shall be governed by the provisions of COMAR 21.07.01.12A(2). If you cancel or terminate this Operating Lease prior to expiration of the Lease Term (other than for non-appropriations), you shall provide 30 days written notice and pay a termination charge/return fee equal to the value of a quarterly payment. The foregoing paragraph shall supersede Section 12(a)(ii) of these Terms.

10. Warranties

We warrant that all PBI-branded equipment (“**PBI Equipment**”) will be free from defects in material and workmanship and will perform according to the operator guides for a period of ninety days from the date (i) the PBI Equipment is installed at your location when PBI installs the PBI Equipment for you or (ii) the PBI Equipment is delivered to you when you can install it yourself. The DI2000™ inserting system has its own unique warranty that you can see at pitneybowes.com/us/di2000-terms.html.

- (a) A defect doesn't include the failure of rates within a rate update to conform to published rates.
- (b) We warrant that any service (“**Service**”) we perform under the Service Level Agreement set out in Sections 19 through 24 (the “**SLA**”) will be performed in a professional and workmanlike manner.
- (c) **YOUR SOLE REMEDY FOR A WARRANTY CLAIM IS TO HAVE US REPAIR OR REPLACE THE PBI EQUIPMENT OR, IN THE CASE OF DEFECTIVE SERVICE, REPERFORM THE SERVICE.**
- (d) There is no warranty for PBI Equipment that needs to be repaired or replaced because of any Excluded Circumstance. “**Excluded Circumstance**” is a circumstance outside of PBI's control, including an accident, your negligent or reckless use of the equipment, use of the equipment which exceeds our recommendations or in a way not authorized by this Agreement or any operator guide, use of the equipment in an environment with unsuitable humidity, line voltage, damage in transit, software virus, loss of data, loss or fluctuation of power, fire, flood or other natural causes, and other external forces beyond our control, servicing of the equipment by someone other than us, failure to use required software updates, use of the equipment with any system where we have told you that we will no longer provide support or that we have advised you is no longer compatible, or use of third party supplies (such as ink), hardware or software that results in (i) damage to equipment (including damage to printheads), (ii) poor indicia, text or image print quality, (iii) indicia readability failures or (iv) a failure to print indicia, text or images.

- (e) The print engine(s), print engine components, structural components and printed circuit board assemblies supplied with or within the PBI Equipment may be reclaimed, reconditioned or remanufactured. These items are warranted to perform according to the same standards as the equivalent new item.
- (f) The warranty doesn't cover ink, integrated printhead/ink cartridges, ink rollers, toner and drum cartridges, ribbons and similar items ("**Consumable Supplies**").
- (g) **EXCEPT AS EXPRESSLY STATED IN THIS AGREEMENT, WE (ON BEHALF OF OURSELF AND OUR SUPPLIERS) MAKE NO OTHER WARRANTIES, EXPRESS OR IMPLIED, INCLUDING ANY WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE AS TO THE EQUIPMENT OR SERVICES. WE MAKE NO REPRESENTATION OR WARRANTY AS TO ANY THIRD PARTY EQUIPMENT. WE AGREE TO PASS THROUGH TO YOU ALL THIRD PARTY EQUIPMENT WARRANTIES TO THE EXTENT PERMITTED.**

11. Limitation of Liability

OUR TOTAL LIABILITY (INCLUDING ANY LIABILITY OF OUR SUPPLIERS) IS LIMITED TO THE FEES PAID BY YOU FOR THE APPLICABLE EQUIPMENT OR SERVICES. NEITHER WE NOR OUR SUPPLIERS IS LIABLE FOR ANY: (I) DAMAGE YOU MAY INCUR BY REASON OF YOUR MISUSE OR NEGLIGENT USE OF THE EQUIPMENT OR YOUR NEGLIGENT ACTS OR OMISSIONS OR (II) INDIRECT, INCIDENTAL, CONSEQUENTIAL, OR PUNITIVE DAMAGES OF ANY NATURE WHATSOEVER, INCLUDING COMMERCIAL LOSS, OR LOST PROFITS, DATA OR GOODWILL, FOR ANY MATTER RELATING TO THIS AGREEMENT.

12. Default and Remedies

- (a) If you don't make any payment within three days after the due date shown on our invoice, you breach any other obligation under this Agreement or under any other agreement with Pitney Bowes and such breach continues for thirty days after we give you notice or you become insolvent or file for bankruptcy, you will be in default and we may:
 - (i) cancel this Agreement and any other agreements Pitney Bowes has with you;
 - (ii) require you to pay to us immediately all amounts payable under the Lease or other agreements, whether then due or payable in the future;
 - (iii) disable the Meter;
 - (iv) require you to return the Equipment and Meter, and delete or remove software; and deny you access to software;
 - (v) if you don't return the Equipment, require you to immediately pay to us an amount equal to the value of the Equipment, as determined by us;
 - (vi) charge you a late charge for each month that your payment is late;
 - (vii) charge you a check return fee for payments made by you with insufficient funds; and
 - (viii) pursue any other remedy, including repossessing the Equipment and Meter without notice to you. To the extent permitted by law, you waive any notice of our repossession or disposition of the Equipment or Meter. By repossessing the Equipment or Meter, we aren't waiving our right to collect the balance due.
- (b) We may suspend any services during any period that your account is more than thirty days past due.
- (c) If we fail to fulfill our obligation under this Agreement properly and on time, or otherwise violate any provision of this Agreement, the State may terminate this Agreement by written notice to us, if we have not cured such violation within thirty (30) days of receipt of written notice of such violation from the State. The notice shall specify the acts or omissions relied upon as cause for termination. All finished or unfinished work provided by the Contractor shall, at the State's option, become the State's property. For the avoidance of doubt, there is no "work" provided under this Agreement or an individual lease. The State shall pay Pitney Bowes fair and equitable compensation for satisfactory performance prior

to receipt of notice of termination, less the amount of damages caused by Pitney Bowes' breach. In no event shall the amount of damages sought exceed an amount equal to one quarterly payment under the applicable lease. Termination hereunder, including the determination of the rights and obligations of the parties, shall be governed by the provisions of COMAR 21.07.01.11B.

13. Taxes

The State is generally exempt from federal excise taxes, Maryland sales and use taxes, District of Columbia sales taxes and transportation taxes.

14. Embedded Software; Applications

For embedded software, you agree that: (i) we and our licensors own the copyrights and other intellectual property to it; (ii) you are licensed only to use it with our Equipment in which it resides; (iii) you won't copy, modify, de-compile, or attempt to unbundle, reverse engineer or create derivative works of it; and (iv) you won't distribute or disclose it (or any portion) to anyone. The embedded software may contain third party software which is subject to any terms accompanying it. Technical support for embedded software will be given according to the SLA covering the Equipment with the embedded software.
- (b) Certain products and services may provide you an opportunity to access applications provided by us or a third party. Each application you access will have its own terms and conditions applicable to your use of that application located within it, and by using the application you agree to those terms and conditions.

15. Internet Access Point and Analog Connectivity

The internet connectivity for the Equipment or Meter may use an internet access point provided by us. You may only use this access point for connectivity between the Equipment or Meter and the internet and for no other purpose. You agree to pay all costs resulting from the use of the access point in violation of this restriction.

IF YOU USE AN ANALOG CONNECTION FOR YOUR MAILING SYSTEM, YOU ACKNOWLEDGE THAT THE ANALOG CONNECTIVITY IS PROVIDED BY A THIRD PARTY SUPPLIER. NEITHER WE NOR OUR SUPPLIERS PROVIDE ANY WARRANTY WITH RESPECT TO THE FUNCTIONALITY OR QUALITY OF THE ANALOG CONNECTION. IF THE THIRD PARTY SUPPLIER NO LONGER PROVIDES ANALOG CONNECTION CAPABILITY, WE WON'T BE RESPONSIBLE FOR PROCURING AN ALTERNATIVE SUPPLIER AND YOU WILL HAVE TO USE A DIGITAL CONNECTION.

16. Security Interest

You grant us a purchase money security interest in the Equipment, any replacements, and any proceeds from the sale of the Equipment, to secure payment of any balance due. We have the right to recover the Equipment if you haven't paid for it. We may file a copy of this Agreement as a financing statement with the State authorities. If you are leasing Equipment, you authorize us to file a Uniform Commercial Code financing statement naming you as debtor/lessee with respect to the Equipment in order to protect our interest in the Equipment.

- (f) **ANY LEGAL ACTION YOU FILE AGAINST US MUST BE STARTED WITHIN ONE YEAR AFTER THE EVENT GIVING RISE TO YOUR CLAIM.**
- (g) We can only change this Agreement if we both agree to do so in writing. You may use a purchase order to offer to obtain equipment or services but none of its provisions will modify or supersede these provisions unless we expressly agree in writing. If any provision in this Agreement is found to be invalid or unenforceable, the remaining provisions won't be affected.
- (h) Our respective rights and obligations under Sections 11 (Limitation of Liability), 12 (Default and Remedies) and 13 (Taxes) will survive termination of this Agreement.

SERVICE LEVEL AGREEMENT

19. Applicability of SLA

This SLA section applies to you if we have entered into an agreement to provide service for any Equipment we lease, rent or sell on the Order, excluding Equipment with charges based on volume of use ("**Usage-based Equipment**") and any DI2000™ (the covered equipment is called "**Covered Equipment**").

20. Service Level Options

- (a) (i) If you sign up for **Standard SLA** on the Order, PBI will provide at its option either repair or replacement services for the Covered Equipment during the Initial Service Term or any Renewal Service Term (each term as defined in Section 21) (the "**Service Term**"). You are also entitled to: (x) replacement printheads for Covered Equipment without additional charge, except for printheads which need to be replaced as a result of any Excluded Circumstance, and except for integrated printhead/ink cartridges; and (y) two preventative maintenance service calls per calendar year. PBI will notify you when preventative maintenance is due or you can request preventative maintenance service. If your Covered Equipment needs repair, PBI may provide repair by remote access, diagnostics and service and/or by on-site repair service. Repair service is provided only for damage resulting from normal wear and tear. Repair service may include the use of new, reconditioned, or remanufactured parts and assemblies. PBI will provide parts or assemblies for discontinued equipment (or equipment not

marketed as new) only if available. If PBI deems it necessary, PBI will dispatch a service technician to arrive at your location for on-site service. You won't incur hourly charges unless service is performed outside Normal Working Hours, which will be done only with your consent. **"Normal Working Hours"** means 8 a.m. – 5 p.m., Monday – Friday, excluding PBI-observed U.S. holidays, in the time zone where the Equipment or other items are located.

(ii) If PBI determines that replacement of Covered Equipment is necessary, PBI will, at no additional cost to you, promptly ship new, reconditioned, or remanufactured equipment of the same or a functionally equivalent model to replace the affected Covered Equipment. Unless PBI instructs you otherwise, within five days of receiving the replacement equipment, you must pack the Covered Equipment to be replaced in the shipping carton that contained the replacement equipment, place the pre-paid return address label on the carton, and return it to PBI. You are responsible for the Covered Equipment until PBI receives it.

- (b) If you are eligible to receive **Performance SLA** under our policies and you sign up for Performance SLA on the Order, you will be entitled to receive: (i) all coverage provided under Standard SLA; and (ii) one two-hour application consultation for your mailing and shipping needs. If PBI determines that on-site service is necessary, PBI will use commercially reasonable efforts to have a service technician on-site (during Normal Working Hours only) within 4 hours or 8 hours, as specified on the Order, after PBI has determined that it can't resolve the issue remotely (the **"Response Time Commitment"**). The Response Time Commitment relates solely to the arrival of a technician at your location. It isn't a guaranteed resolution of the problem within the Response Time Commitment period, and it doesn't guarantee that all parts necessary to make a repair will be on-site within this time frame. The Response Time Commitment does not apply to Service designated as service by replacement, relocation services, software maintenance, preventative maintenance, operator training, or other services not essential to repair the Covered Equipment. If the Covered Equipment is moved from its original location, PBI may, at its option, remove the Response Time Commitment. If this happens, you will receive Standard SLA and we will adjust the SLA charges payable by you appropriately. If we don't meet the Response Time Commitment, we will provide you with a credit equal to the difference between the cost of Standard SLA and Performance SLA for three months. In order to receive this credit, you must use a credit request form which you can obtain from your service technician or by calling the Customer Care Center. The credits are limited to credits for four failures to meet the Response Time Commitment in any twelve-month period during the Service Term. **These remedies are your sole remedy for PBI's failure to meet the Response Time Commitment.**

21. Service Term

PBI will provide you with Service f for the Lease Term, if you are leasing Equipment (the **"Initial Service Term"**). **SERVICE AUTOMATICALLY RENEWS FOR ANY LEASE RENEWAL TERMS (EACH A "RENEWAL SERVICE TERM").**

22. SLA Fees

You will pay the SLA fees for the Initial Service Term and any Renewal Service Term(s). We may increase the SLA fees after the Initial Service Term, and any increases will be reflected on your invoice. If you receive service for repairs caused by any Excluded Circumstance, PBI will charge you for the service at PBI's current hourly rates and for any required parts. If you exceed the cycle volume of your Equipment specified on the Order, PBI may bill you for the additional cycles over the specified cycle volume (the additional cycles are called the "Overage"). The charge will be determined by reference to the rate in effect at the time that we determine that an Overage exists. Upon request, you will provide the cycle volume to us. If you do not provide the cycle volume to us, we will estimate the cycle volume and send an invoice to you for any Overage based on our estimate. If, in the prior quarter, we estimated cycle volume and later receive actual cycle volume, then we will make adjustments based on actual usage on your next invoice.

23. Service Changes

PBI may modify its Service by giving written notice to you (a “**Service Change Notice**”), which will state whether the change is material. After receiving a Service Change Notice, if the change is material, you may terminate Service by giving us a termination notice at the address indicated in Section 21 or you may create a case at pitneybowes.com/us/contact-us.html (follow the instructions under “how to create a case”).

24. Additional Service Terms

You can't elect to have Service apply to some but not all of the items of Equipment. Service doesn't include services and repairs that are made necessary due to any Excluded Circumstance. Service excludes the supply of postal and carrier rate changes and Consumable Supplies. If you replace any of your Covered Equipment during the Service Term, and the replacement Equipment qualifies for Services, PBI will automatically enroll you for maintenance coverage on the new Equipment at PBI's then current annual rates. If you acquire an attachment, or add a unit, to your Covered Equipment, PBI will provide coverage for each attachment or unit which we determine qualifies for coverage under the SLA and adjust your rate accordingly. If you choose not to continue coverage on the replacement Equipment, attachment or unit, you may cancel Service for the item within thirty days of the date of your initial invoice for the item from PBI. If you cancel, any further maintenance or repair services on the Equipment, attachment or unit will be subject to PBI's current rates. Standard SLA will apply to rented Equipment at no additional charge.

EQUIPMENT RENTAL AND METER SERVICES TERMS

25. Equipment Rental and Meter Services

This Equipment Rental and Meter Services Section applies to you whenever you rent Equipment and whenever you obtain Meter Services from us.

- (a) If you aren't leasing the Equipment and paying for it in your lease payment to PBGFS, we will invoice you the Equipment rental (“rental”) and Meter Services fees listed on the Order. After the period listed on the Order (the “**Initial Term**”), we may increase the rental and/or Meter Services fees upon at least 30 days' prior written notice. When you receive notice of an increase, you may terminate your rental or Meter Services only as of the date the increase becomes effective.
- (b) At the end of the Initial Term, unless prohibited by law, the rental term and Meter Services term will convert to successive month to month extensions. You may choose to cancel the month to month extensions at any time by giving us 30 days' written notice to the address in Section 21 or by creating a case at pitneybowes.com/us/contact-us.html (follow the instructions under “how to create a case”). Upon expiration of the term of the rental or Meter Services, you agree to return Equipment and Meters covered by the rental and Meter Services agreement in their original condition, reasonable wear and tear excepted.

26. Postage

You may transfer funds to The Pitney Bowes Bank, Inc. (the “Bank”) for deposit into your Reserve Account that you maintain with the Bank (your “**Reserve Account**”) or you may transfer funds to the United States Postal Service (the “**USPS**”) through a lockbox bank (a “**Lockbox Bank**”). See the “USPS Acknowledgment of Deposit” below for more information. Until the end of the Initial Term, we may charge you a fee of up to \$15.00 for refilling your postage. After the Initial Term, we may increase postage refill fees upon 30 days prior written notice. If you participate in any PBI, PBGFS, or Bank postage advance programs (such as Purchase Power), we will advance payment on your behalf to the USPS, subject to repayment by you under the terms of the postage advance program and billed separately from your Meter Services fees.

27. Meter Repair or Replacement; Meter Care and Risk of Loss

If the Meter malfunctions or fails due to reasons other than an Excluded Circumstance, we will repair or replace the Meter. You agree to take proper care of the Meter(s), as stated in this Agreement and any user documentation. You assume all risk of loss or damage to the Meter(s) while you have possession.

28. Terms of Use of Meter; Federal Regulations

You may use the Meter solely for the purpose of processing your mail, provided that you are authorized by the USPS to use the Meter, and that you comply with (i) this Agreement, (ii) any operator guide and (iii) all USPS regulations. You agree to use only attachments or printing devices authorized by us. You must receive our written consent before moving the Equipment or Meter to a different location. Federal regulations require that we own the Meter. Tampering with or misusing the Meter is a violation of federal law. Activities of the USPS, including the payment of refunds for postage by the USPS to clients, will be made in accordance with the current Domestic Mail Manual. If the Meter is used in any unlawful scheme, or isn't used for any consecutive 12 month period, or if you take the Meter or allow the Meter to be taken outside the United States without proper written permission of USPS Headquarters, or if you otherwise fail to abide by the postal regulations and this Agreement regarding care and use of the Meter, then this Agreement and any related Meter Services agreement may be revoked. You acknowledge that any use of a Meter that fraudulently deprives the USPS of revenue can cause you to be subject to civil and criminal penalties applicable to fraud and/or false claims against the United States. The submission of a false or fraudulent statement can result in imprisonment of up to 5 years and fines of up to \$10,000 (18 U.S.C. 1001) and a civil penalty of up to \$5,000 plus an assessment of twice the amount falsely claimed (3 U.S.C. 3802). The mailing of matter bearing a fraudulent postage meter imprint is an example of a violation of these statutes. You are responsible for immediately reporting (within 72 hours or less) the theft or loss of the Meter to us. Failure to comply with this notification provision in a timely manner may result in the denial of refund of any funds remaining on the Meter at the time of loss or theft. You understand that the rules and regulations regarding the use of this Meter as documented in the Domestic Mail Manual may be updated from time to time by the USPS and it is your obligation to comply with any rules and regulations regarding its use.

29. Rate Updates and Soft-Guard® Program

Your Meter or Equipment may require periodic rate updates that you will obtain under our Soft-Guard program. We will provide rate updates only if required due to a postal or carrier change in rate, service, ZIP Code™ or zone change. The Soft-Guard program doesn't cover any change in rates due to custom rate changes, new classes of carrier service, or a change in ZIP Code or zone due to equipment relocation. We won't be responsible for any losses arising out of or resulting from the failure of rating or software downloads to conform to published rates.

30. Collection of Information

You authorize us to access and download information from your Meter or from your PC Postage account. We may disclose this information to the USPS or other authorized governmental entity. We won't share with any third parties (except the USPS or other governmental entity) individually identifiable information that we obtain about you in this manner unless required to by law or court order. We may elect to share aggregate data about our clients' postage usage with third parties.

31. Value Based Services

Value based services are services the USPS provides, including e-Return Receipt and USPS Confirmation Services. Any fees the USPS charges for these services are your responsibility to pay for and are payable the same way that you pay for postage. The USPS is solely responsible for its services. We are not responsible for any malfunctions of any part of the communication link connecting the Meter with the USPS data system. We have the right to terminate the value based services if the USPS discontinues offering the service or you breach your obligations under this Agreement and fail to cure the breach within thirty days after you have been notified in writing.

USPS ACKNOWLEDGEMENT OF DEPOSIT

32. Acknowledgement of Deposit

This section of the agreement provides you with the sections that the USPS requires we include in any agreement where we are providing Meter Services. The USPS requires that we use specific language. The “acknowledgement of deposit” terms are as follows:

(a) In connection with your use of a Postage Evidencing System, you may transfer funds to the USPS through a Lockbox Bank for the purpose of prepayment of postage on Postage Evidencing Systems, generating evidence of postage (a “**Deposit**”), or you may transfer funds to the Bank for deposit into your Reserve Account.

(b) To the extent you deposit funds in advance of the use of any evidence of postage, you may make Deposits in the Lockbox Bank account identified as “United States Postal Service CMRS-PB” or make deposits in your Reserve Account, in either case through electronic means, including Automated Clearinghouse Transfers. The USPS may, at its discretion, designate itself or a successor as recipient of Deposits made by you to the Lockbox Bank account described above.

(c) Any deposit made by you in your Reserve Account is subject to the Reserve Account – Agreement and Disclosure Statement governing your Reserve Account.

(d) Any Deposit made by you in the Lockbox Bank account shall be credited by the USPS only for the payment of evidence of postage. Such Deposits may be commingled with Deposits of other clients. You shall not receive or be entitled to any interest or other income earned on such Deposits.

(e) The USPS will provide a refund to you for the remaining account balances of Deposits held by the USPS. These refunds are provided in accordance with the rules and regulations governing deposit of funds for evidence of postage, published in the CFR.

(f) The Lockbox Bank, which shall collect funds on behalf of the USPS, shall provide PBI, on each business day, information as to the amount of each Deposit made to the USPS by you, so that PBI can update its records.

(g) PBI may deposit funds on your behalf. The USPS will make no advances of funds to you. Any relationship concerning advances of funds is between you and PBI, PBGFS and/or the Bank.

(h) You acknowledge that the terms of this Acknowledgement may be changed, modified, or revoked by the USPS, with appropriate notice.

(i) Postal Regulations governing the deposit of funds are published in the CFR or its successor. You acknowledge that you shall be subject to all applicable rules, regulations, and orders of the USPS, including future changes to such rules, regulations, and orders, and such additional terms and conditions as may be determined in accordance with applicable law. The USPS rules, regulations, and orders shall prevail in the event of any conflict with any other terms and conditions applicable to any Deposit.

Pending resolution of a claim, PBI shall proceed diligently with the performance of the Agreement in accordance with the procurement officer's decision.

39. Non-Hiring of Officials and Employees. No official or employee of the State of Maryland, as defined under General Provisions Article, § 5-101, Annotated Code of Maryland, whose duties as such official or employee include matters relating to or affecting the subject matter of this Agreement, shall during the pendency and term of this Agreement and while serving as an official or employee of the State become or be an employee of the contractor or any entity that is a subcontractor on this Agreement.

40. Nondiscrimination in Employment. PBI agrees: (a) not to discriminate in any manner against an employee or applicant for employment because of race, color, religion, creed, age, sex, sexual orientation, gender identification, marital status, national origin, ancestry genetic information or any otherwise unlawful use of characteristics, or disability of a qualified individual with a disability unrelated in nature and extent so as to reasonably preclude the performance of the employment, or the individual's refusal to submit to a genetic test or make available the results of a genetic test; (b) to include a provision similar to that contained in subsection (a), above, in any underlying subcontract except a subcontract for standard commercial supplies or raw materials; and (c) to post and to cause subcontractors to post in conspicuous places available to employees and applicants for employment, notices setting forth the substance of this clause.

42. Delays and Extensions of Time. PBI agrees to prosecute the work continuously and diligently and no charges or claims for damages shall be made by it for any delays or hindrances from any cause whatsoever during the progress of any portion of the work specified in this Agreement. Time extensions will be granted only for excusable delays that arise from unforeseeable causes beyond the control and without the fault or negligence of PBI, including but not restricted to, acts of God, acts of the public enemy, acts of the State in either its sovereign or contractual capacity, acts of another contractor in the performance of a contract with the State, fires, floods, epidemics, quarantine restrictions, strikes, freight embargoes, or delays of subcontractors or suppliers arising from unforeseeable causes beyond the control and without the fault or negligence of either PBI or the subcontractors or suppliers.

43. Suspension of Work. The procurement officer unilaterally may order PBI in writing to suspend, delay, or interrupt all or any part of the work for such period of time as the procurement officer may determine to be appropriate for the convenience of the State. For avoidance of doubt, any suspension of work by the State does not relieve the State from any payment obligations under the Agreement.

44. Pre-existing Regulations. In accordance with the provisions of §11-206 of the State Finance and Procurement Article, Annotated Code of Maryland, the regulations set forth in Title 21 of the Code of

Maryland Regulations (COMAR Title 21) in effect on the date of execution of this Agreement are applicable to this Agreement.

Unless a payment is unauthorized, deferred, delayed, or set-off under COMAR 21.02.07, Payments to PBI pursuant to this Agreement shall be made no later than 30 days after the State's receipt of a proper invoice from PBI. PBI may be eligible to receive late payment interest at the rate of 9% per annum if:

- (1) PBI submits an invoice for the late payment interest within thirty days after the date of the State's payment of the amount on which the interest accrued; and
- (2) A contract claim has not been filed under State Finance and Procurement Article, Title 15, Subtitle 2, Annotated Code of Maryland.

The State is not liable for interest:

- (1) Accruing more than one year after the 31st day after the agency receives the proper invoice; or
- (2) On any amount representing unpaid interest. Charges for late payment of invoices are authorized only as prescribed by Title 15, Subtitle 1, of the State Finance and Procurement Article, Annotated Code of Maryland, or by the Public Service Commission of Maryland with respect to regulated public utilities, as applicable.

46. Financial Disclosure. PBI shall comply with the provisions of State Finance and Procurement Article § 13-221, Annotated Code of Maryland. That section requires a business to file with the Secretary of State of Maryland certain specified information, including disclosure of beneficial ownership of the business, within 30 days of the date the aggregate value of any contracts, leases, or other agreements that the business enters into with the State of Maryland or its agencies during a calendar year reaches \$200,000.

47. Political Contribution Disclosure. PBI shall comply with Election Law Article, Title 14, Annotated Code of Maryland, which requires that every person that enters into a procurement contract with the State, a county, or a municipal corporation, or other political subdivision of the State, during a calendar year in which the person receives a contract with a governmental entity in the amount of \$200,000 or more, shall file with the State Board of Elections statements disclosing: (a) any contributions made during the reporting period to a candidate for elective office in any primary or general election; and (b) the name of each candidate to whom one or more contribution in a cumulative amount of \$500 or more were made during the reporting period. Additional information is available on the State Board of Election website: http://www.elections.state.md.us/campaign_finance/index.html.

48. Retention of Records. Except as otherwise provided herein, PBI shall retain and maintain all records and documents relating to this Agreement for three years after final payment by the State hereunder or any applicable statute of limitations, whichever is longer, and shall make them available for inspection and audit by authorized representatives of the State, including the procurement officer or designee, at all reasonable times.

50. Compliance with Laws. PBI hereby represents and warrants that:

A. It is qualified to do business in the State of Maryland and that it will take such action as, from time to time hereafter, may be necessary to remain so qualified;

B. It is not in arrears with respect to the payment of any monies due and owing the State of Maryland, or any department or unit thereof, including but not limited to the payment of taxes and employee benefits, and that it shall not become so in arrears during the term of this Agreement;

C. It shall comply with all federal, State, and local laws, regulations, and ordinances applicable to its activities and obligations under this Agreement; and

D. It shall obtain, at its expense, all licenses, permits, insurance, and governmental approvals, if any, necessary to the performance of its obligations under this Agreement.

51. Commercial Non-discrimination. As a condition of entering into this Agreement, PBI represents and warrants that it will comply with the State's Commercial Nondiscrimination Policy, as described under Title 19 of the State Finance and Procurement Article of the Annotated Code of Maryland. As part of such compliance, PBI may not discriminate on the basis of race, color, religion, ancestry, national origin, sex, age, marital status, sexual orientation, sexual identity, genetic information or an individual's refusal to submit to a genetic test or make available the results of a genetic test or on the basis of disability, or other unlawful forms of discrimination in the solicitation, selection, hiring, or commercial treatment of subcontractors, vendors, suppliers, or commercial customers, nor shall PBI retaliate against any person for reporting instances of such discrimination. PBI shall provide equal opportunity for subcontractors, vendors, and suppliers to participate in all of its public sector and private sector subcontracting and supply opportunities, provided that this clause does not prohibit or limit lawful efforts to remedy the effects of marketplace discrimination that have occurred or are occurring in the marketplace. PBI understands that a material violation of this clause shall be considered a material breach of this Agreement and may result in termination of this Agreement, disqualification of PBI from participating in State contracts, or other sanctions. This clause is not enforceable by or for the benefit of, and creates no obligation to, any third party.

As a condition of entering into this Agreement, upon the request of the Commission on Civil Rights, and only after the filing of a complaint against Contractor under Title 19 of the State Finance and Procurement Article of the Annotated Code of Maryland, as amended from time to time, PBI agrees to provide within 60 days after the request a complete list of the names of all subcontractors, vendors, and suppliers that PBI has used in the past 4 years on any of its contracts that were undertaken within the State of Maryland, including the total dollar amount paid by PBI on each subcontract or supply contract. PBI further agrees to cooperate in any investigation conducted by the State pursuant to the State's Commercial Nondiscrimination Policy as set forth under Title 19 of the State Finance and Procurement Article of the Annotated Code of Maryland, and to provide any documents relevant to any investigation that are requested by the State. PBI understands that violation of this clause is a material breach of this Agreement and may result in contract termination, disqualification by the State from participating in State contracts, and other sanctions.
