5. CONDITIONAL NATURE OF AGREEMENT:

MAILING EQUIPMENT, SUPPLIES AND MAINTENANCE
Led by the State of Arizona

Notwithstanding any provision of this Agreement to the contrary, all obligations of the State hereunder, including, without limitation, the continuance of payments hereunder, are contingent upon the availability and continued appropriation of funds affected by any state or federal legislative or executive action that reduces, eliminates or otherwise modifies the appropriation or availability of funding for this Agreement and the Scope for services, in whole or in part. In no event shall the State be liable for any payments hereunder in excess of such available appropriated funds. In the event of a reduction or termination of appropriated funds, the State shall have the right to withhold payment until such funds become available and shall have the right to reduce or terminate the Services under this Agreement immediately upon giving the Contractor notice of such reduction or termination. SUMMARY OF LEASING/RENTAL PROGRAMS UNDER SOLICITATION # BPM003137

Pitney Bowes Global Financial Services offers a variety of equipment leasing and lease/rental programs to enable your agency to acquire the equipment it needs with the innovative financing solution that works best for you. Notwithstanding the foregoing, Only Options A and C below may be used for the D12000 and Lockers.

LEASE TO OWN - Option A

This program provides a 24, 36, 48 or 60 Month Lease and is available only to city and state agencies, such as public school districts, municipal hospitals, police and fire departments. Due to the tax exempt status of the Lessee, rates are much lower than standard Fair Market Value Lease rates. Title to the Equipment passes up front and at the end of the lease term, lessee owns the equipment (excluding meter). (Non-profits, private universities & schools and non-State or Local agencies are excluded from this program). Sales & Purchase Tax will be charged, if required under Your State Statute.

FAIR MARKET VALUE Rental - Option B This program provides you with 24, 36, 48 or 60 Month Rental. At the end of the rental period, you may purchase the equipment at the end of the Rental for its then Fair Market Value, or you can enter into a new Rental term or return the equipment. This includes cancellation for convenience with a termination charge of 90 day notice of cancellation and pay one quarterly payment. Sales & Purchase Tax will be charged, if required under Your State Statute.

FAIR MARKET VALUE LEASE - Option C

This program provides you with a 24, 36, 48 or 60 Month lease term with the option to purchase the equipment at the end of the lease for its then Fair Market Value or you can enter into a new Lease, or return the equipment. Sales & Purchase Tax will be charged, if required under Your State Statute.

SPECIAL COTERMINOUS LEASE RATES

Pitney Bowes can offer to our current leasing customers the opportunity to enter into a "coterminous lease" for the purposes of acquiring additional accessories and solutions for their current equipment. The term of the lease will be consistent with the number of months remaining on the lease contract for the existing equipment. For example, a customer with 18 months remaining on a lease will be offered an 18 month lease for additional accessories or solutions. Invoices will show two separate line items reflecting the current machine lease and the new coterminous lease. The coterminous lease will be subject to the same terms and conditions as the original lease. Below are the monthly coterminous lease rates for NASPO ValuePoint BPB003137 Financing Option A, Option B, and Option C. Please note that in no event shall the lease term for a DM Infinity meter go beyond 6/30/2024.
