

ConnectRight™ Mailer Presort Update Release Notes

ConnectRight™ Mailer has updated its presort report functionality to enhance client experience. This update will occur automatically and requires no action by you. Improved presort reports are easier to follow, and commonly searched for items are now easier to find.

Samples of the newly revised reports available include:

- [Job Summary report \(1000CS.PJS.pdf\)](#)
- [Presort Mail Listing report \(1000CS.MSL.pdf\)](#)
- [Presort Summary Listing report \(1000CS.PSL.pdf\)](#)
- [Postage Statement report \(1000CS.360.pdf\)](#)
- [USPS Qualification report \(1000CS.PQR.pdf\)](#)

If you have questions regarding this update, contact client support by email at support.software.crm@pb.com or by phone at 800-888-0286 (Option 5).
