

MailStream Plus™ 8.3.5 Announcement of Upcoming Software Release

Hello.

This serves as the pre-release announcement for MailStream Plus™ 8.3.5, which supports the targeted USPS® January 21, 2018 pricing and preparation changes.

IMPORTANT: Releases prior to 8.3.5 do not include the January 2018 pricing and preparation changes, and may cause your mailing to be rejected by the USPS® after the January 2018 targeted implementation date. The December 2017 postal reference files will be the final postal reference files provided for MailStream Plus 8.3.3.

MailStream Plus™ Release 8.3.5 includes:

- Resolutions for customer-reported issues
- Support for January 2018 price and other required USPS® changes
- Updated Postal Reference File delivery and installation on the IBM® i platform
- Improvements to the display of Mail Owner/permit information
- USPS® Informed Delivery support

If you have any questions about this upcoming release, please use our **Online Case Management System** to create a Support request. If you have not previously logged in to the Online Case Management System, you will be prompted to create your account credentials. Call **1-800-367-6950** to speak with a Technical Support Representative.

Regards,
Amy Musumano
Sr. Product Manager
